12. Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	Purpose – To motivate the IInd MBBS students to develop interest in Pathology and understand the Do's and Don'ts to be followed for the exams to come out with flying colors Conduct – A peer talk session was organized on 15.02.25 from 11.45 am onwards for the Phase II MBBS students. The session started by felicitation of the distinction holders by Dr Smita Bhide, Prof.& Head Pathology. The distinction holders then addressed the students and gave inputs regarding the books to be referred, importance of attending theory classes and practicals and various e-resources that can be used to understand the topic better and score good marks in the examination. Outcome – The students asked queries and felt that this session was helpful in providing them a direction to study pathology in a systematic manner.

9.	Attendance (if applicable)	Attached
10.	Faculty / Medical team	Mr Chirag Khutia Career Counsellor and Residency Advisor, Founder- Consult CK
11.	Coloured geo-tagged photos (2 to 4)	Attached
12.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	To help MBBS students explore the various career paths available after graduation, a career guidance session was conducted. Mr. Chirag Khutia, a seasoned career expert, provided valuable insights into a range of opportunities, including postgraduate options in both clinical and non- clinical fields, as well as international exams such as USMLE and PLAB. He also shared effective preparation strategies for these pathways. The session was highly interactive, with enthusiastic student participation and numerous questions, all of which were thoroughly addressed by the speaker. The institute remains dedicated to supporting and guiding students in shaping their careers after MBBS. The session was well-received and appreciated by the students.

12.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The students of phase 1 are near their prelim & university exams and this is the time they need a little of motivation from their peers. The final year MBBS toppers Sudharm Borole, Umang Maheshwari & Dhruv Sarode were invited by The Department of Anatomy to guide & have an interactive session with phase 1 students. These students are batch toppers for MUHS Final year examination The toppers shared their experience of how they prepared for exams their study routine, time management tricks, how they coped up with the stress throughout. They also explained the importance of the subjects taught in the very 1 st year of MBBS in their whole journey ahead. In the end the students were given an open mic to have interaction with their peer. Department of Anatomy felicitated the topper students with certificate of appreciation. The students were motivated & inspired by their peer.
