"...6. In view of the facts and circumstances of this case, we are of the considered opinion that without going into the competence of the MCI in conducting the second inspection after invoking Regulation 8(3)(1)(c), the Petitioner-College is entitled for enhancement of intake from 60 to 100 seats for the fourth batch of MBBS course for the academic year 2018-2019. It is not in dispute that the Petitioner-College has rectified the defects pointed out by the MCI in its first inspection prior to 30.05.2018.
