ORDER

Subject:- Renewal of permission for admission of 5th Batch of MBBS students against increased intake i.e. from 100 to 150 at Maharashtra Institute of Medical Education & Research, Talegaon, Pune for the academic year 2018-19-Regarding.

"....6. In view of the facts and circumstances of this case, we are of the considered opinion that without going into the competence of the MCI in conducting the second inspection after invoking Regulation 8(3)(1)(c), the Petitioner-College is entitled for enhancement of intake from 60 to 100 seats for the fourth batch of MBBS course for the academic year 2018-2019. It is not in dispute that the Petitioner-College has rectified the defects pointed out by the MCI in its first inspection prior to 30.05.2018.

"...Except for the fact that the renewal for the enhanced intake of 100 seats is for the third MBBS Course, this Writ Petition is similar to Writ Petition No.662 of 2018. Therefore, the Government of India is directed to enhance the intake of the Petitioner-College from 50 to 100 for third MBBS course for the academic year 2018-2019.
