Dr. Khedkar

Agenda:

- CCMP course
- ICMR projects

Meeting was chaired by Dr. Kamath

Minutes of previous meeting were read.

Agenda of meeting was read

Following points were discussed with the permission of chair.

1. It was discussed to have more teachers of various departments' representatives in this committee for effective implementation of the curriculum.
2. This is to help with the smooth working of both horizontal and vertical integration of core important topics having significant importance in different subjects across the MBBS syllabus.
3. The main topics having already been identified in the curriculum for integrated teaching classes conducted on first and third Saturday from 2 to 4 pm.
4. Students input regarding which additional topics they would like covered in a more comprehensive manner is to be sought
5. Additional topics which may benefit from both vertical as well as horizontal integration were discussed.
6. Each department should choose two students for ICMR projects.
7. Student pool of those interested in pursuing ICMR projects to be formed from which according to the student's particular interests and availability of guide and suitable relevant topics, the students would be allocated to each department.
8. A meeting of departments involved in CCMP teaching is to be scheduled
9. Bioethics lectures to be taken in second and third year
10. Feedback forms were collected from students and teachers and analyzed
11. Discussion about starting Fellowship courses in Neonatology, High risk Obstetrics, Minimal access surgery, Head and Neck Cancer Surgery, Regional Anaesthesia was done.
12. Discussion about starting certificate course in clinical research was done.
