Subject – Report on participation of students in Ethos 2018, 2nd National Bioethics, Medical and Research Conference, SGRDUHS, Amritsar.

Respected Sir,

We, the students of MIMER Medical college, represented our institute in Ethos 2018, 2nd National Bioethics, Medical and Research Conference, SGRDUHS, Amritsar.

We're giving you a brief report about the same

1. INTRODUCTION OF ETHOS

ETHOS 2018, was the 2nd National Bioethics, Medical and Research Conference, held at Sri Guru Ram Das Institute of Medical Sciences & Research, affiliated to Sri Guru Ram Das University of Health Sciences, Amritsar, from 31st August to 2nd September. ETHOS 2018, was one signature event by the Students' Wing of Indian Program of International Network of UNESCO Chair in Bioethics, Haifa.

2. ROLE OF THE INSTITUTION

As we know, the most valuable resource that a student can have, is their teachers. Without a Guru, students' growth is limited to their own perspectives. Very much in coincidence with the previous lines, the entire team was under a constant guidance of the following teachers;

- a. Dr. VaishaliKordeNayak, Professor in Obstetrics & Gynecology, an educator, who also serves as the head of Student's Steering Committee.
- b. Dr. (Col.) Derek D'Souza, Professor in Dentistry, who also serves as the Director of National Bioethics Curriculum Implementation Centre.
- c. Dr. Aneesh Bhat, who serves as Professor & Head in the department of Psychiatry.
- d. Dr. Rupali Bagga, Associate Professor in the department of Community Medicine.

Lastly, Dr. (Col.) R.P. Gupta, Principal, for giving us the permission to attend the conference.

After a few fruitful meetings of the students' steering committee, from one student delegate, the count increased to fifteen delegates. To put it all in a sentence, these teachers placed a baton in the hands of fifteen students, who went all the way to Amritsar and came back as achievers.

3. PARTICIPATION

'The future belongs to those who believe in the beauty of their dreams.' Want to know who these dreamers are? Yes, these are the fifteen delegates, the students of their very own MIMER.

Tejas Mhapankar, a student of MBBS Final Year, served as the college ambassador for ETHOS 2018. His role was instrumental in bringing all these fifteen starts together.

These students actively participated in various pre-conference workshops, events like Paper Presentation, Poster Presentation, Sharp Tank, Ethi Scan – Quiz, Debate, Just a Minute and Medical Short Film. As they say, an enthusiastic heart finds opportunities everywhere, these delegates didn't leave a single opportunity to showcase their talent. Their participation in online events like Ethi Shot – Photography, Online Ethi Scan and Sketch it Syndrome is noteworthy.

The journey of these delegates over a period of one month before conference has been full of energy, liveliness, zeal, perseverance and lastly the most important thing, team spirit.
