## ACTIVITY REPORT-DEPT OF OBGY

A newborn has only three demands. They are warmth in the arms of its mother, food from her breasts and security in the knowledge of her presence. Breast feeding satisfies all three.”

The theme for celebrating breast feeding week this year (02/08/2021 to 06/08/2021) was “Protect Breastfeeding: A Shared Responsibility” in which various activities were organized for the patients by the Department of Obstetrics and Gynecology.

Active participation by the faculty, residents, interns and patients was seen throughout the week. A roleplay displaying importance of breastfeeding was presented by OBGY residents and interns. Dr. Vaishali Korde ,Dr. Shashikant Pawar and Dr. Sachin Vedpathak gave a talk on breastfeeding to the patients and also answered many questions asked by their relatives. They emphasized on common wrong practices and myths patients have regarding breastfeeding and guided all of them about correct practices which was appreciated by the patients and relatives. Also there was demonstration of proper breastfeeding technique by the physiotherapy students.

Also the quiz on Lactation was organized for 8<sup>th</sup> semester students . Winners of the quiz were awarded different prizes by the hands of Dr. Sushma Sharma , Professor . Quiz was well conducted by Dr. Priya Karmani.

Dr. Priya Bagade gave a talk on Lactation & conducted pre and post test for 8<sup>th</sup> semester students.

In total breast feeding week celebration was a huge success of department of OBGY.

## NSS ACTIVITY REPORT

### ACTIVITIES DURING CORONA PANDEMIC

#### Faculty-4 NSSVolunteers–40

In view of the on-going pandemic of COVID-19 various IEC activities were conducted in the field practice area of RHTC and UHTC.

On 17/03/2020 awareness programme was conducted for the staff at Anganwadi and Zilla Parishad School at Yelwadi. Interns posted at RHTC spoke about how it started, progression & preventive measures for the same.

On 9/03/2020 awareness programme was conducted for the community members at UHTC in which interns posted at UHTC spoke about how it started, progression & preventive measures for the same. The community members were inquisitive and asked a lot of questions regarding novel corona virus.

NSS volunteers demonstrated how to make masks at home with the help of videos and spread awareness about preventive measures during corona pandemic on social media.

Construction site labor camp was conducted at Naiknavare Developers Old Pune-Mumbai highway by Dr.Pramod Giri and Dr.Swati Magare along with interns.

The programme was organized under the guidance of Dr.S.V.Chincholikar, Professor & Head, Dept.of Community Medicine.

## MIMER MEDICAL COLLEGE –TALEGAON(D)

### NUTRITION WEEK 2017 CELEBRATION AT UHTC, TALEGAON

Date:01/09/2017

Keeping in mind the theme for this year National Nutrition Week – “Optimising Infant and young child feeding practices”. The following programme is planned

1. 01.09.2017-Nutrition awareness generation for Women (Reproductive age group).
2. 04.09.2017-Nutrition awareness generation for Adolescent Girls.
3. 06.09.2017-Demonstration of low cost recipe (Nutrition Demonstration) for Community.
4. 07.09.2017-Community Meeting at Anganwadi

In accordance with the above programme, today i.e. 01/09/2017 awareness generation on maternal & child nutrition was done for women of reproductive age group. A group of 15-20 women from our field practice area attended the sensitization programme. They were made aware of balanced diet and the role of Micro and Micronutrients in diet with the help of charts and models.

#### 04.09.2017

A nutrition awareness programme was conducted for girls of std. 5<sup>th</sup> to 10<sup>th</sup> of Nagra parishad school at Maruti Mandir. Talk was given by Dr. Ashlesha Dandekar regarding importance of micronutrients in diet. The students were particularly told about importance of Iron and Calcium in diet. They were educated about the various food groups and their importance in diet. This was followed by question and answer session.

07/09/2017

On the occasion of national nutrition week, awareness program regarding child nutrition and nutrition of females in reproductive age group was conducted in Sane Ali aanganwadi by Dr Ashelsha Dandekar DrAdvait and Dr Abhilasha. Women were demonstrated the diet plan for newborns and themselves that included importance of vitamins proteins and fibres with the help of models and charts. Enthusiastic participation was observed by 30 women and their children. The session with concluded with resolution of queries of the mother and pregnant women. Feed back was taken to make sure that people understood the importance of nutrition.

### REPORT OF CME AND QUIZ

A CME was conducted by the Department of Orthopaedics of MIMER Medical College, Talegaon, in association with Pune Orthopaedic Society on 16th September 2017.

76 delegates registered for the CME, in which 10 interesting and challenging cases were presented and there was an in-depth discussion involving an expert panel.

The highlight of the event was a state-level postgraduate quiz, in which 17 teams participated. It was an event where the intellectual mettle of the teams was tested to their fullest. AFMC, Pune and Hinduja hospital fought the tie breaker questions, but in the end the best team won. Team AFMC won a prize worth Rs.15000. Team Hinduja came second and won a prize worth 10000. And Bharti Vidyapeeth team stood third. Sincere hard work and efforts were taken by all the Residents and the faculties of the department..
