Respected Madam/Sir,

A workshop was conducted on 18th August 2021 to discuss the methodology for reviewing a research article, and conducting a journal club activity.

Based on the above, a working template has been prepared to help the respective departments in carrying out the discussion during the Journal Club.

It is recommended that an A3 printout of the same be made, and displayed in the respective departmental seminar hall. You may also convey in advance the date, time and venue of the journal club activity, so that the Research Consultant/member from DCRIC can also attend the same and give inputs.

Regards.

DCRIC, MIMER
