Advisory

MCI-23(1)/2020-Med/104624

Dated: 15<sup>th</sup> June 2020

Subject: - Relaxation in conduct of Postgraduate Examinations for Broad Specialty Courses (Diploma/MD/MS) - Reg.

The Council Office is in receipt of communications from University/State Government on the above mentioned subject in which it has been suggested that the BoG, MCI may consider modifying the conduct of practical examinations in clinical subjects (such as case based scenarios/simulations) during the current COVID 19 Pandemic in view of safety and security concerns for the students.

2. In this regard, it may be noted that Regulation 14 (4) of the Postgraduate Medical Education Regulations, 2000 inter alia regarding Clinical/Practical and Oral states as under:-

**For MD/MS {14 (4) I. (c) (i) - Clinical/Practical and Oral}**

Clinical examination for the subjects in Clinical Science shall be conducted to test the knowledge and competence of the candidates for undertaking independent work as a Specialist/Teacher, for which candidates shall examine a minimum one long case and two short cases.

**For Diploma {14 (4) III (b) - Clinical and Oral}**

Clinical examination for the subjects in Clinical Science shall be conducted to test/aimed at assessing the knowledge and competence of the candidates for undertaking independent work as a Specialist/Teacher, for which candidates shall examine a minimum one long case and two short cases.

3. It is stated that due to COVID 19 Pandemic, most Medical Colleges have expressed their difficulty in adhering to the existing Regulations to examine the candidates by giving a minimum of one long or two short cases. Since, the objective of the Practical Examination is to ascertain skills relevant to the Specialty as outlined

Sub. :- Additional Internal Assessment Examination as per  
Ordinance 1/2014 (amended).

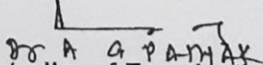

Ref :- University letter No.MUHS/XC/40/2842/2006 Dt-27/4/06

Sir/Madam

It has been observed that some of the colleges have failed to conduct internal assessment examination as per the procedure laid down by the university particularly in respect of conduct of additional examination. The procedure in this regard was clearly explained in our letter under references. It is once again reiterated that as per the Clause 47 of the Section vii (a) of the Ordinance 1/2014 (Amended) pertaining to Internal assessment. **"In case of absence of student/s for any of the internal assessment examinations, the committee shall decide genuineness of the reason for absence of the student/s for the examination like sickness certificates or some other equally important reason submitted by the student. After verifying the genuineness of the reason for the absence, the committee may allow the candidate to appear for the additional examination. This facility shall be available to genuine absent cases only and no betterment examination shall be conducted for any failure student."**

It has been observed that some of the colleges have misconstrued the contents of the said Ordinance. Also, some colleges, even after knowing the fact very well, have conveniently connived at contents of the Ordinance. The University authorities have taken serious note about it.

You are once again requested to apprise all the teaching staff and H.O.D's to follow laid down procedure meticulously and scrupulously while finalising their internal assessment marks. Any lapse in this regard will not be condoned or pardoned. Deviation from observance of rules will be dealt with sternly, which may kindly be noted.

MUHS, Nashik

**Sub.: Important instructions for MBBS & BDS students towards marking of MCQ Questions on OMR sheet ....**

**Ref.: BOE Resolution No. 108/2016 dated 07/11/2016.**

Sir/Madam,

It is observed by the University that besides there is no negative marking for MCQ paper, certain students do not attempt all MCQ or it is partly attempted by them and options are left blank on the OMR sheet. This aspect therefore leave an option for marking of un-attempted option/(s) at a later stage and this matter was placed before the appropriate authority for its consideration.

After deliberation and in view of no negative marking for wrongly attempted question, it has been decided that it shall be made mandatory for all MBBS and BDS students that in case, if any candidate desires not to attempt MCQ type question, then it is mandatory to strike out all options ~~a b c d~~ in OMR sheet against respective MCQ serial number, failing which it shall be treated as an attempt for 'Unfair Means'. Any 'Blank Answer' on the OMR sheet shall attract for action under 'Unfair Means' w.e.f. Winter - 2016 University Theory Examinations.

*For e.g.: If any candidate desires not to attempt MCQ No.3, then the candidate shall strike out all options as explained | 3 ~~a b c d~~ - "*

The Dean/ Principal of Colleges are requested to bring above instructions to the notice of all concerned students from time-to-time and wide publicity shall be given to it by displaying at all College Notice board.
