1. The 2nd PTM for the First M.B.B.S Batch (2016-17) was conducted on 21/01/2017.
2. The main agenda of the meeting was:
 - i. Attendance and performance of students
 - ii. Discuss enrichment or intervention strategies to support student's learning
 - iii. Internal assessment and eligibility for university exam
 - iv. Mentorship program
 - v. Any other relevant issue
3. The meeting was conducted by Head of the Departments of all three first year subjects, Dr. Swati Belsare, (Professor & Head Department of Anatomy), Dr. D. S. Nair (Professor & Head Department of Physiology), Dr. S. A. Pratinidhi, Professor & Head Department of Biochemistry).
4. Dr. Belsare gave parents an overview of overall attendance and performance of the students in the terminals.
5. An overview of internal assessment was given by Dr. Nair and queries regarding the same were addressed
6. Parents were made aware of Mentorship program by Dr. Pratinidhi. Few parents raised the issue of non-availability of mentors, especially on Saturdays. It was made clear that, students need to meet the concerned mentor preferably on weekdays and with prior communication with his/her mentor.

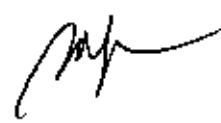

7. Parents of students with consistent low performance in all the three subjects were requested to meet the respective HOD's if required.
8. Apart from regular academic issues, few parents raised issues regarding canteen services which were rendering poor food quality and hygiene issues, as number of students were fallen sick and at the same time concern over water facility in the college girls and boys hostel was also raised. Parents were given reassurance and also advised to take this matter to PTA so that necessary intervention can be done and action can be taken by the management.
9. No other questions were raised and meeting concluded with vote of thanks

 - 7) Any other relevant issue

- It was conducted by Head of the Departments of all three first year subjects, Dr. Swati Belsare, (Professor & Head Department of Anatomy), Dr. D.S. Nair (Professor & Head Department of Physiology), Dr. S.A. Pratinidhi, Professor & Head Department of Biochemistry).

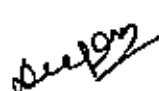

- Dr. Swati Belsare welcomed the parents present.

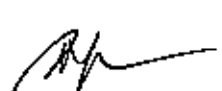

- Dr. Belsare introduced all HOD's & faculty present.

- Academic calendar was distributed and curriculum overview given

- Subject wise information was given by respective HOD's of the pre-clinical departments
- The parents were made aware of anti-ragging committee existent in the college
- An overview of Rules, regulations and discipline to be followed by students were once again given to the parents
- Parents were made aware of Mentorship program. The parents were also requested to ensure that their son/daughter meets the mentor on regular basis and in case of any issue whether academic or otherwise to be discussed with the mentor freely. This is very important as far as students are concerned, so early intervention in case of any issue or problem can be sought.
- Few parents were concerned about coping up of their wards to new surroundings and safety, parents were reassured about the safe campus and strict rules to be followed in college premises.
- There was good interaction between parents present for the meeting and the students. The parents were reassured of all the support that will be extended to resolve issues if any in future. All the questions were well addressed. The parents exhibited positive response as well.
- The meeting concluded with vote of thanks.

Parents Teachers Meeting: II MBBS, IV Semester

Dt: 29/02/2020, Time 11.30 am Venue: Lecture Hall no. 1

1. The meeting was presided by Hon. Principal, *Dr. Col. R. P. Gupta Sir* and was attended by *Dr. R. J. Wagh, Dr. Mrs. S. S. Kulkarni, Dr. Mrs. Smita Bhide, Dr. Mrs. Janice Jaison, Dr. Avinash Pujari* and *Dr. Nikhil Phadke*.
2. Dr. R. J. Wagh welcomed the parents present and introduced parents with the faculty present. Later he briefed about the agenda of the meeting. He elaborated on the II MBBS course structure to the parents. He also apprised parents of the minimum essential requisites prescribed by MUHS, Nashik for a student to be eligible for II MBBS course and he urged parents to check their wards' performance regularly in this respect.
3. Principal, Dr. Gupta Sir then highlighted the 'Student Mentorship Programme' followed at MIMERMC. He reiterated the importance of this programme and how it could be beneficial for their wards. Many amongst the parents were not aware of such a mentorship programme and they requested to put up the list of mentors for their wards and their contact details in the Parents' Google Group. They also suggested to have a dedicated time slot for the Mentor-Mentee interaction which should be made compulsory for a more fruitful outcome.
4. The parents also suggested to have a separate Clinical attendance register and the attendance and the performance of their wards during the clinical postings ought to be conveyed regularly to them.
5. The parents also suggested the college administration to arrange for an interaction of UG students with those students of MIMERMC who passed PG NEET with success.
6. The parents suggested to make usage of Public Address System should be done for every lecture so that the students sitting behind could listen to the teacher properly.
7. They urged that UG students clinical emergency duties need to be implemented.
8. The parents earnestly requested to install payable washing machines at each floor of the hostels. This will greatly reduce the efforts of their wards of getting their clothes home and bring back to the hostels every time.
