Respected Madam/Sir,

Thank You for registering for the workshop : **Conduct of Journal Club** scheduled on 18th August 2021.

This activity is organized to help the faculty and PG students of MIMER to be able to critically review research articles/papers. It is also aimed to help develop more insights into writing a research paper and improve the quality.

To make the activity more interactive and beneficial, it is recommended that the participants perform an exercise before attending the workshop.

Pre Workshop Exercise :

1. The participants are requested to read the attached article thoroughly. (attached pdf file - *Lewinson_2017*)
2. Based on the article, enter (write/type) your comments in the attached word document "Data Table" to the best of your understanding.
3. After filling the table, take a print copy of the same and carry it to the workshop.

Note :

After successful completion of the workshop, e-certificates will be sent to your e-mail id, within seven days.

Please be seated at least 5 minutes before the session commences.

You may kindly direct your queries to research@mitmimer.com

Regards.

Dr Janice Jaison

WORKSHOP

CONDUCT OF JOURNAL CLUB

PRE-WORKSHOP EXERCISE

Name		
Department		
Designation		
No.	Questions	Comments
1.	Primary objective of the study	
2.	Primary research hypothesis	
3.	Was the literature review adequate? Why or why not?	
4.	Study design	
5.	Sample size	
6.	Study setting	
7.	Study time frame	
8.	Key exposure or independent variable with its definition	
9.	Key outcome variable with its definition	
10.	Statistical technique used for the analysis of the primary objective	
11.	Key results pertaining to the primary hypothesis of the study (include both univariate and multivariable results)	
12.	Factors adjusted for in the multivariable analysis	
13.	What the clinical implications of the study's findings?	
14.	Final conclusion of the study	
15.	Strengths of the study	
16.	Limitations of the study	
17.	Did the authors compare their study's findings with findings from other studies?	
18.	Is the study reasonably sound? Why or why not?	
19.	Does the study make a useful contribution to the literature? Why or why not?	
20.	What are the avenues for future research in this area?	

Instructions :

1. We recommend all the participants to do this exercise before attending the workshop.
2. The participants are requested to read the attached article (*Lewinson-2017*) thoroughly.
3. Based on the article, write/type your comments in the above table.
4. Take a print of the responses and carry it to the workshop.
5. In case of inability to print, you can e mail the completed data table to research@mitmimer.com **BEFORE 12 noon** on 18th August.
6. A similar exercise will be performed during the workshop, after the lecture, for which the sheets will be provided to each participant. You will be requested to write your comments after attending the lecture.

Respected Madam/Sir,

A workshop was conducted on 18th August 2021 to discuss the methodology for reviewing a research article, and conducting a journal club activity.

Based on the above, a working template has been prepared to help the respective departments in carrying out the discussion during the Journal Club.

It is recommended that an A3 printout of the same be made, and displayed in the respective departmental seminar hall. You may also convey in advance the date, time and venue of the journal club activity, so that the Research Consultant/member from DCRIC can also attend the same and give inputs.

Regards.

Activity Report**

Department: Ophthalmology

Name of the activity: Seminar on "OCT- an advanced technology"

Date of Activity: 13th July 2021

Participants: 54

Brief Description of the Seminar:

The Department of Ophthalmology organized a Seminar on "OCT- an advanced technology" on 13.07.2021 at Sushrut Hall to create awareness about availability of OCT, OCT-A along with multicolor imaging in MIMER Medical College. MIMER has become the first institution in Maval Taluka to install this advanced machine. Optical Coherence Tomography is a quick, non-invasive and reproducible imaging tool for macular lesions and has become an essential part of retina practice. OCT is useful in the diagnosis of many retinal conditions, Macular hole, epiretinal membrane, Macular edema, retinal detachments, Choroidal Tumours. This machine can also be utilized in the diagnosis of glaucoma patients.

Dr. Smita Pawar in her address to the faculty, staff and PG Residents emphasized the need to create awareness about the availability of such service in MIMER Medical College, so, that more and more patients could get benefit out of it in addition to utilizing it in the research topics assigned to post graduate students and faculty.

Respected Madam/Sir,

Department of Clinical Research & Incubation Center will be organizing a workshop titled: "*SELECTION OF JOURNAL: Targeting the right journal for publishing your research*".

This activity is a part of the continuous faculty enrichment programs conducted by the institute. This interactive workshop aims to help the researchers understand the various aspects to look for in a biomedical journal, and find the one that is most appropriate for publishing their research work.

All member of faculty and PG students (MIMER & Physiotherapy College) are invited to participate in the same.

Date : 30th March 2021 (Tuesday)

Time : 2:15 PM

Venue : *Sushrut Hall*

The other details, including the active link for registration is mentioned in the attached flyer (soft copy).

Regards

Dr.Janice Jaison

Dr.Darpan Maheshgauri

WORKSHOP

SELECTION OF JOURNAL

Targeting the right journal for publishing your research

For : Faculty and PG Students of MIMER & College of Physiotherapy

Date : 30th March 2021 (Tuesday)

Time : 2:15 PM

Venue : *Sushrut Hall*

A faculty enrichment activity that aims to have an interactive session to help the researchers understand the various aspects to look for in a biomedical journal, and find the one that is most appropriate for publishing their research work.

FACULTY

Dr. Digant Gupta, MBBS, MPH (USA)

Clinical Research Consultant, MIMER

(86 publications in international journals)

Dr. Varoon C Jaiswal, MPT, PhD scholar

Professor, MAEER's Physiotherapy College

Head, Research Dept., Physiotherapy College

CONTENT

1. *Overview of biomedical journals*
2. *Indexing*
3. *The Impact factor*
4. *Publication models*
5. *How to match the journal with your research*
6. *Understanding journal requirements*
7. *Adapting your paper according to the journal guidelines*
8. *Avoiding predatory journals*
9. *Q & A Session*

e-Certificates will be awarded
Registration is free but compulsory
[E mail : research@mitmimer.com](mailto:research@mitmimer.com)

Dated: 26/03/2021

TO,
MAHARASHTRA INSTITUTE OF MEDICAL EDUCATION AND RESEARCH
TALEGAON DABHADE TAL. MAVAL DIST.
PUNE

Attn : Mr MANDAR DOIPHODE (Organization Secretary) (Mob No. - 9850077168)

Sub: Credit Points for Webinar
Ref : Your application dated 19/03/2021

Sir/Madam,

Your application for granting credit points to webinar has been accepted.

Council has decided to grant **Two** credit points based upon contents of subject matter, composition of faculty participation etc.

Your organization will be held responsible for any irregularity while conducting webinars.

It will be the responsibility of accredited organizations to see that adequate standards are maintained and also ensure that no excessive fees are charged from delegates.

Organization should prepare report of programme along with attendance list of delegates. Copy stored be sent to MMC for office purpose.

Methodology of feedback evaluation should be maintained.

It will be sole responsibility of organization to deposit required MMC dues. Clearance of dues only permits to clear next webinar.

Organization shall strictly issue the certificates to delegates as per guidelines issued by MMC.

Observer shall be paid honorarium Rs.500/- per day per Webinar by the organizers.

Respected Madam/Sir,

Department of Clinical Research & Incubation Center is conducting a workshop for PG students (JR-1) and their PG guides on **ORIENTATION TO METHODS IN CLINICAL RESEARCH :**

PART 1 – DEVELOPMENT OF SYNOPSIS on 4th & 5th November 2020.

This is to help the PG students of 2020 batch in developing their respective dissertation for synopsis.

Kindly go through the attachment for details.

Please inform the concerned students and PG Guides in your department and kindly relieve them for their work during the above period.

Regards.

To: Department <department@mitmimer.com>

Fri, Nov 6, 2020 at 8:12 PM

Respected Sir/ Madam
Pre, Para & Clinical departments,

- 1) The Department of Biochemistry has purchased two new equipments
Vitros ECiQ & Vitros 250 (Dry Biochemistry analyzer)
- 2) We have arranged a short review about the advantages of this new equipments.
- 3) Requesting you along with all your faculty members and residents (compulsory) to attend the session.

Date: 10/11/2020
Venue: Sushrut hall
Time: 2.15 pm

Thanking you,
Yours faithfully

Dr. S. A. Pratinidhi

Sat, Oct 17, 2020 at
12:07 PM

<research@mitmimer.com>

To: Department <department@mitmimer.com>, "PRINCIPAL, COLLEGE OF PHYSIOTHERAPY" <principal_th@mitmimer.com>, MAEER Physiotherapy <research_th@mitmimer.com>, MIMER Central Research Lab <crl@mitmimer.com>, medical Superintendent <ms@mitmimer.com>, "Dr. Arun Jamkar" <jamkar@mitmimer.com>, Arun Jamkar <jamkar@gmail.com>, Arun Jamkar Sir <drjamkar@yahoo.com>, it <it@mitmimer.com>, Ganesh Marathe <electrical@mitmimer.com>, Photography Department <photography@mitmimer.com>, Dr Derek Dsouza <director.nbcic@mitmimer.com>

Cc: Suchitra Nagre Karad <suchitra@mitpune.com>, Virendra Ghaisas <drghaisas@mitmimer.com>

Respected Madam/Sir,

This is a kind reminder about the appeal made by the institute on 2nd October, to submit a research proposal from your department pertaining to COVID-19.

To put some more light on writing of a research proposal, Department of Clinical Research and Incubation Centre has organized a talk titled- **"How to Develop a Research Proposal?"**

Date : 20th October '20, 2.30PM (Tuesday)

Venue: Sushrut Hall

(Details in the attached flyer)

It would be an interactive session that aims to help the faculty and students develop a research proposal that is novel, methodologically robust, and has important clinical and/or public health implications, making it publishable in reputed journals.

You and members from your department are invited to attend the same.

The session is **compulsory** for the **PG students** and **PG guides**, and will help them in the process of submitting the dissertation synopsis.

Kindly send the list of residents/faculty who won't be able to attend the same because of being currently posted on COVID duties.

Regards.

Dr Janice Jaison,

To:
 AFIHOD's
 Respected Sir/ Madam
 Please find attached herewith schedule for **SPSS Workshop** which will be conducted on 27th and 28th July 2020 on zoom platform. The zoom link for attending **workshop** will be sent to you subsequently.

Thinking You,

Yours Sincerely,

Date : 20.07.2020

To,
All H.O.D's
MIMER Medical College,
Talegaon Dabhade

Subject: basic training workshop for SPSS software

Dear Sir/Madam,

Dear all we are happy to inform that MIMER Medical College has purchased SPSS software for the purpose of promoting and developing efficiency in Research. As it is a limited user license it has been installed on 9 desktops which are compatible for it. Hence it is expected that it should be shared by all the departments as per requirement.

Department of Community Medicine is organizing a basic training workshop for using SPSS software. The schedule of the workshop is attached herewith. As 2 people will be sharing a desktop we are compelled to restrict number of participant for the workshop. Hence you are requested to depute 2 people from your department for the same. It is expected that these people will in turn train other members of the department for using SPSS .

Dr.Swati Raje, Senior statistician of the Dept. of Community Medicine will be imparting basic training for SPSS.

Maharashtra University of Health Sciences

22ND FOUNDATION DAY

WEBINAR

CLINICAL RESEARCH IN MEDICAL INSTITUTES IN INDIA

NEED FOR A NEW OUTLOOK IN POST-COVID ERA

Date : 10th June 2020 (Wednesday) Time -12:15 to 1 PM

ORGANIZED BY

MAEER's

MIMER Medical College & Dr.BSTR Hospital, Talegaon (D), Pune

DEPARTMENT OF CLINICAL RESEARCH & INCUBATION CENTER

research@mitmimer.com

Keynote Address

Prof. Dr Dileep Mhaisekar

Hon.Vice Chancellor, MUHS

Speaker

Dr Digant Gupta,

MBBS, MPH (USA)

Clinical Research Consultant, MIMER, Pune

Register in advance for this meeting:

https://zoom.us/meeting/register/tj0ofuutrDwpE9fP2GfARz-_ly-AjMQ-hAVw

After registering, you will receive a confirmation email containing information about joining the meeting.

For details contact : Call : 02114-308300 / WhatsApp: 7263976150

Date : 9th June 2020

To,
Head of Dept.

Subject: MUHS Foundation Day - Webinar on 10th June 2020

Respected Madam/Sir,

The year 2020 will be the watershed line in the history of healthcare, after which the world would realize that 'medical research' is the most potent tool with humanity in its fight for survival. At present, our country is making a significant contribution to the world in terms of medical research, but given its enormous potential, it can contribute much more to the global medical knowledge.

For that, there is an urgent need for all the medical institutes to come together and approach clinical research with a new outlook. Maharashtra, with more than fifty medical colleges (MBBS) and many other institutes of excellence, has all the potential to become a pioneer of medical research in the country.

With the aim of inculcating a research culture and improving the quality of existing work to international standards, our institute has formed a 'Department of Clinical Research and Incubation Center' with a team of some dedicated research scientists. We are also aware of the specialized and well-equipped Central Research Lab that is doing pioneering work in basic medical research – particularly in nano-robots and cancer, with grants from BIRAC, DST, & DBT, Govt. of India.

On the occasion of the 22nd foundation day of our university on 10th June 2020, and with the support from the MUHS, we are organizing a webinar to sensitize and stimulate the faculty/students of the medical institutes of the state, on the urgent need and the ways of clinical research. We wish to invite you and members of your institute to attend the same.

Hon'ble Vice Chancellor of MUHS, Prof.Dr. Dileep Mhaisekar has consented to give us his valuable guidance on this occasion.

Date : 10th June 2020 (Wednesday)
Time : **12:15 to 1 PM**
Topic : Role of Medical Institutes in Clinical Research in India - Need for a new outlook in Post-COVID era
Recommended for : All the faculty and students
Keynote : Hon'ble Vice Chancellor, MUHS
Speaker : Dr.Digant Gupta, MBBS, MPH (Illinois,USA)
Registration Link : *Zoom meetings* (limited participants)

<https://zoom.us/meeting/register/tJ0ofuutrDwpE9fP2GfARz-ly-AjMQ-hAVw>

After registering, you will receive a confirmation email containing information about joining the meeting.

Also available on : *YouTube live , Facebook live (Link will be provided after registration)*

Highlights of the Talk:

- *Why and where does India lag in research?*
- *Quality of the existing research in medical institutes and measures to improve it*
- *How to get started?*
- *Generation of a 'research idea'*
- *Existing resources available to us & how to leverage those*
- *What should be the end goal of a research?*
- *How will my 'research' benefit my nation?*

Speaker Details : Dr.Digant Gupta, MBBS, MPH (USA)

- *Clinical Research Consultant, Dept. of Clinical Research & Incubation Centre, MIMER Medical College*
- *Clinical and Public Health Research Scientist*
- *More than 80 peer-reviewed publications in international biomedical journals*
- *200+ abstracts and posters in scientific conferences*
- *Editorial board & scientific reviewer of several high-impact biomedical journals*

You are requested to share the same with your respective department and the faculty known to you of other medical colleges.

Thanking You.

Dept.of Clinical Research & Incubation Center, MIMER

SEMINAR

TOPIC:

REORIENTATION TO CLINICAL RESEARCH – A NEW OUTLOOK

Speaker : Dr.Digant Gupta, MBBS, MPH (Illinois, USA)

Clinical Research Consultant, MIMER

Date : 19th May 2020, Tuesday (Session-1)

Timing : 2:15 to 3.45 PM

Place : Sushrut Hall

For : Faculty of MIMER & Physiotherapy College

ALL P G Guides

Highlights :

- *Quality of the existing research in India and measures to improve it*
- *Generation of a 'research idea' or a 'hypothesis'*
- *How to get started, once the idea is in place*
- *Existing resources available to us & how to leverage those*
- *What should be the end goal of a research?*
- *How will 'research' benefit me?*

'Reorientation to Clinical Research – A New Outlook'

Speaker : Dr. Digant Gupta

Date : 19th May 2020

Time: 2:15 PM

Venue: Sushrut Hall

ATTENDANCE

Sr. No.	Name of Faculty	Designation	Signature
1	Dr. Suchitra Nagare	Ex. Director.	
2	Dr. Arun Jankar	Dir PG	
3	Dr. R P Gupta	Principal

Respected Madam/Sir,

Department of Orthopaedics is glad to organize a THREE DAYS academic fest on the intricate topic of 'Hand', from 21st to 23rd February.

A Basic Cadaveric Hands-on Workshop will be conducted on 21st February In Association with Department of Anatomy.

Basic Hand Surgery Course by the Indian Society for the Surgeons of Hand (ISSH) would be conducted on 22nd & 23rd February 2020.

On behalf of the organizing committee, I wish to invite you, and members from your department, to the inaugural function of the course on 22nd February

(Saturday) at 11am.

Looking forward to welcome you.

Regards,

Dr Ashok Chalker
Prof & Head of Dept
Orthopaedics.

TOPICS

- Introduction to course
- Clinical evaluation of hand injuries
- Radiology in hand injuries
- Anaesthesia in hand injuries: Blocks in hand/wrist/forearm
- First Aid in hand injures
- Debridement
- Basic consideration in tendon injuries
- Acute flexor tendon injury
- Acute extensor tendon injury
- Basic consideration in peripheral nerve injuries
- Electro Diagnosis
- Management of peripheral nerve injuries
- Middle & proximal phalanx fractures
- Metacarpal fractures (excluding thumb)
- Fractures and soft tissue injuries of thumb
- How to decompress carpal tunnel syndrome
- How to release 1st extensor compartment of de Quervain's tenosynovitis
- How to release a trigger finger
- Scaphoid fractures
- Fracture lower end of radius (closed & external fixator treatment)
- Internal fixation of distal radius fracture (exposure and Plating)
- Acute paronychia & Pulp space infection (techniques of drainage)
- Flexor tendon sheath and palmar space infection (techniques of drainage)
- Acute compartment syndrome
- Skin graft (Split & full thickness)
- Fingertip injuries including distal phalanx fractures, Nail bed injuries
- Flaps (Local flaps, rotation flap, abdominal flap & groin flap)
- Post operative dressing, slab and casts
- Postoperative mobilization, splinting and hand therapy
- Interaction and feed back about the course

Date: 5th November 2019

To,

The Principal,
Maharashtra Institute of Medical Education and Research
Yashwanth Nagar Road, Talegaon Dabhade, Maharashtra 410507

Subject: Consent for Bee Lean Workshop

Dear Sir/Madam,

We thank you for your time and the discussions we had and would be pleased to organize a Bee Lean workshop at your institute on 20th November 2019

Request you to kindly approve participants to attend the said program

This program is designed for the Technicians & Doctors. For details of the program please view the agenda.

The program is not conditional upon any obligation to use, recommend, promote or purchase products of Ortho Clinical Diagnostics, (or any of its affiliates) and is not intended to influence you to do so.

Ortho Clinical Diagnostics, will not be responsible for any injury, death or property damage or other loss, claim or injury of participants may suffer from attendance at the program.

If the participants currently are or within six months will attain a position to influence purchasing decisions by a government entity or a health-care-related institution owned or substantially controlled by a government or public body, they will notify the purchase decision-maker of this event sponsorship.

We are confident that the program would be of great benefit to the participants and we look forward to your support.

We request you to provide details of the participants attending the program.

Assuring you of our best services at all times.

With best regards,

Name: Kamal Dua

Designation: Specialist Process Excellence

Activity Report

Department : Central Research Lab
Activity : Overview on Intellectual Property Rights
Duration : From _____ To _____ 19th Aug 2019
Participant : No. of Faculty: : 32
No. of Students:

Objective of the activity:

To give an overview on intellectual property (IPR) rights to faculties and students.

Outcome of the activity:

The participants get to know about IPR and how to protect their IPRs.

1. Overview of Research Methodology (AIIMS New Delhi Expert Groups Dr. Chatterje, Dr. Anurag Shrivastav, Dr. Nalin Mehta, Dr Pandav) 6th & 7th August 2019

Summary Report
Visit of AIIMS New Delhi Expert Group
MIMER Medical College Talegaon Dabhade

Day-1 (August 06, 2019)

Dr. Chandrakant Pandav, Eminent Professor and Trustee, MAEER's Pune along with eminent Faculty from All India Institute of Medical Sciences (AIIMS) New Delhi and other centers of excellence in research arrived at MIMER Medical College campus at 10.45 AM.

The Guest Faculty was received by Dr. Suchitra Nagare, Executive Director, Dr. Arun Jamkar, Former Vice Chancellor, MUHS and Director PG Programmes, Health Sciences at MAEERs MIT and Dr. (Col) R P Gupta, Principal, MIMER Medical College Talegaon Dabhade.

The Guests attended a session of research project presentation by faculty of MIMER Medical College and MAEERs Physiotherapy College. The Guests Dr. Chatterjee, Dr. Anurag Srivastava, Dr. Nalin Mehta were introduced and felicitated at the hands of Dr. (Col) R P Gupta and Dr. Arun Jamkar.

Dr. Chandrakant Pandav were felicitated by Dr. Arun Jamkar

Dr. Suchitra Nagare, Executive Director gave the introductory remarks and spoke about the journey of MIMER in brief with a special mention of unforgettable contribution by Late Dr. Madhusudan Pandav in establishing this medical college.

Dr. Chandrakant Pandav then addressed the gathered faculty. He advised the faculty to adopt new methods for projection of best things available in the institute, exhibition and adaptation of best practices and standardization of data.

RESEARCH PRESENTATIONS (12:02 PM to 01:41PM)

A total four research papers were presented by faculty of MIMER Medical College (3) and MAEERs Physiotherapy College (1) as under -

1	Dr Swati Raj Associate Professor Community Medicine	Screening tool for early prediction of risk of low birth weight in rural Indian women
2	Dr. Darpan Maheshgauri Professor Orthopedics	Musculoskeletal disorders in rice farmers of Marathwada region
3	Dr. Shaswat Banerjee In charge, Central Research Laboratory, MIMER	Smart Nano system for Biomedical Application
4	Dr Sumitra Sakhwalkar, Asst Prof MAEER's Physiotherapy College	Comparison of floor exercises versus Swiss ball exercises on spine alignment in ambulatory cerebral palsy.

Critical analysis of the papers was done by the expert guests. The guests appreciated the quality of research and research papers presented by the faculty.

Dr. Nalin Mehta highlighted the importance to choose appropriate journals for publications, validation of questionnaire and overall coordination in research. He also advised the audience to follow the statutory guidelines like CTRI, ICMR, DCGI guidelines etc.

Dr. Anurag Srivastava threw more light on various Cohort studies. He suggested to collaborate with engineering institutes for research collaboration so as to have better technology in making human life healthier. He also advised audience not to rely on interim analysis as a research outcome.

The research work in Nanotechnology to capture circulating tumor cells and development of Nano robots (Nanobots) being done at Central Research Laboratory (CRL), MIMER was much appreciated. The research projects

have got external funding from Department of Science and Technology (DST) and Department of Biotechnology (DBT).

Dr. Nalin Mehta, Professor from AIIMS, New Delhi. In his compliments advised to file /apply patent the work without any further delay looking at its scientific, academic and clinical importance.

Dr. Chandrakant Panday appreciated the presentations. He advised in addition to routine medical conditions, the research aspirants should look into various occupational health disorders and utilize the infrastructure for research into it. Community Medicine department in collaboration with other departments should take lead in it. He further suggested that Dr. Arvind Chopra, renowned clinician and research fellow in bone and joints shall be invited to guide on BJD (Bone Joint Diseases/Decay).

Post lunch session – (02:45 PM to 04:10 PM)

Dr. Anurag Srivastava delivered an interactive lecture on Measures of Disease Frequency. He beautifully discussed various bio-statistical and research concepts with special emphasis on Ratio, Odds ratio, Relative risk etc. using real-life examples including using a cut fruit to elaborate on concepts of biostatistics.

PG Interaction (4:15 PM to 06:15 PM)

All the three batches of PG Residents were addressed by guest faculty. Dr. Nalin Mehta spoke to the Residents and highlighted various Bioethical principles in healthcare management. He emphasized on the importance of documentation, obtaining valid informed consent and why patient safety must be kept above all. He warned the residents against having a paternalistic approach and why it is necessary to take the patients as partners in the decision-making process regarding treatment options.

Day-2 (August 07, 2019)

11:39AM to 12:21

Dr. B.P. Chatterjee delivered a lecture on "Research ...Why? Reading between the lines". He discussed on framing of a research paper and ways to overcome difficulties during research. He advised research aspirants not to fall prey to shortcuts and hard work is a must for better research output.

He gave a systematic outline to planning, design and writing of quality research papers.

12:25 Pm to 01:45 PM

Dr. Nalin Mehta delivered an interactive lecture on Ethics in Research.

He further discussed about the steps in ideal research and threw more light on study design. He also discussed in detail about copyright and plagiarism in research. He suggested maximum faculty should apply for research grants to Department of Health Research (DHR) under Ministry of Health and Family Welfare. He also invited the faculty to collaborate with AIIMS for research. He also agreed to provide full article of any publications using the library facility of AIIMS.

01:48 PM to 02:00 PM

There was an interactive short session with audience by all guest faculties, Dr. Chandrakant Pandav and Dr. Suchitra Nagre. A few very important aspects were discussed like team building, awareness to action, behavioral sciences in medicine and exploring more opportunities in the field of medical research.

Dr. Suchitra Nagare, Executive Director gave the concluding remarks and extended the vote of thanks for the session.

03:10 PM to 04:30 Undergraduate students interaction

The undergraduate students presented two research papers prepared for ICMR STS projects. The guest faculty appreciated that good number of ICMR STS being done at the Institute and also appreciated the quality of student presentations.

The MIMER newsletter the The Grey Matter was presented to guests. The quality and contents of the newsletter was very much appreciated.

Mission Zindagi, an innovative drive which is the brain-child and implemented by the undergraduate students for judicious use of blood and encouraging blood donation was presented through a Power Point presentation (PPT).

The final year MBBS students presented a symposium on Social Anxiety Disorder. The guests appreciated its technical and academic part but was much more impressed by the way this social problem was projected. The take home message was described as "Be Your Own Hero". The guests gave a standing ovation to the quality and efforts of the UG students and complimented them for an outstanding effort.

All the interactive sessions were attended and actively participated by Dr. Suchitra Nagare, Executive Director, Dr. Arun Jamkar and Dr. (Col) R P Gupta. Overall impression was that the visit was extremely fruitful for the faculty and UG & PG students of MIMER and opened up new avenues of academic and research collaboration in the future.

Dr. Chandrakant Pandav and the eminent guests were given special thanks for sharing their thoughts and sparing their valuable time. The Management and Faculty of MIMER are grateful to Dr.V.D. Karad sir for making this visit a reality and look forward to further interaction in the years ahead

Meeting conducted at MIT-WPU, Kothrud Campus

Date: 10th August, 2019.

Venue: Conference Hall of Dr. Suchitra Nagare

Members present:

1. Dr. Chandrakant Pandav, Trustee, MAEER
2. Dr. BP Chatterjee
3. Dr. Arun Jamkar, Ex Vice Chancellor, MUHS and Director PG Programs, MIMER, Talegaon
4. Dr. Suchitra Nagare, Executive Director, MIT Group of Institutions, Pune

The meeting was conducted to obtain feedback from Dr. Chandrakant Pandav and Dr. Arun Jamkar on the visit of All India Institute of Medical Sciences (AIIMS) team to MIMER Medical College, Talegaon Dabhade on 6th and 7th August 2019.

Introduction:

The committee members expressed their gratitude to Hon'ble Dr. Vishwanath D. Karad, Sir for building a huge infrastructure and setting up of a Hospital and a Medical College in the rural area of Talegaon Dabhade.

Background of the Medical College and MIMER:

MAEER'S MIT Pune, established, Maharashtra Institute of Medical Education and Research (MIMER) in the year 1985 at Talegaon Dabhade, near Pune, India. The institute originally affiliated to the University of Pune, is now under Maharashtra University of Health Sciences Nashik, and is recognized by Medical Council of India. The college provides facilities for the MBBS courses with intake capacity of 150 students.

It was founded in 1994 with a hospital named Dr. Bhausaheb Sardesai Talegaon Rural Hospital. The Talegaon General Hospital was visited by Mahatma Gandhi in 1945. It is also listed under International Medical Education Directory. Benevolent, broad minded management, highly experienced student friendly faculty, ample clinical material, state of art educational facilities, stimulating academic and social atmosphere set in an idyllic scenic climate aptly describe the Talegaon Dabhade campus of MIMER.

Dr. Suchitra Nagare:

Dr. Suchitra Nagare brought this to the notice of the members that the MIMER staff was very happy and delighted to have the visit of faculty from AIIMS, New Delhi.

Earlier very few members among the staff were participating in research and had submitted publications but recently the number of faculty participation in various programs has drastically increased.

Out of the 8 participants only 4 members could give their presentation before the committee due to time constraint. The feedback from the faculty has been that even those people who could not attend this program, felt that they missed something useful. The faculty has now understood that research is not a different activity, but is a part of their regular teaching.

Institutional Ethical Committee - MIMER has also successfully organized GCP workshop in the campus. The compliance for the same is to be submitted to the CDSCO.

Till now, the staff had been under a lot of pressure due to frequent assessment visits by MCI and MUHS. This year, the college has received recognition for 150 academic admissions. Hence this is the right time to consolidate and is the right time to motivate the students and staff of MIMER medical fraternity towards research and other academic excellence. Some workshops for faculty development have already been conducted and with this a feeling of ownership is gradually increasing among the staff. The faculty have been motivated by the visit of the distinguished AIIMS team consisting of Dr Chandrakant Panday, Dr Anurag Shrivastava, Dr BP Chatterjee and Dr Nalin Mehta. All the members have emphasized that the faculty should excel in academics as well as do research in various fields. There is also a need for a deeper connect between teaching and non-teaching staff.

Dr. Chatterjee :

Dr. Chatterjee was very happy with this fruitful visit to MIMER Medical College. He was happy to interact with the PG students in the afternoon session.

He also emphasized on the need to plan and design a sound research methodology for all PG research projects. Dr Nafin Mehta was also able to guide them on the various ethical issues that they may face in their professional career.

Visit to Research Lab – Dr. Chatterjee desired that a detailed visit to the Central Research lab be organized in his next visit.

Dr. Jamkar :

Dr. Jamkar emphasized that the students should stick to their goal to enlighten their future. Small discussions with the PG students were also very encouraging.

He also informed that the State Government offer funds to UG students for ICMR projects and 18 students of MIMER have submitted their projects in this year out of which 10 projects got selected.

The students should continuously do the exercise of read – write – do the corrections and submit. It is important to involve UG and PG students to get exposure to real time situations of various of every aspect of all disciplines.

Academic Interaction: there are 3 components in ICMR projects. Tracing the background or historic evolution, improvements in the ICMR and Research.

Most of the time, the staff was engaged in addressing the various issues of norms of regulatory authorities such as MCI and MUHS Nashik. Now that all the approvals are in place, the faculty can concentrate of self-development and also develop the academic profile of each of the departments. It was suggested to conduct guest lectures every week.

Blood Donation Drive: This is especially important in rural areas where availability is very low. This has been a newly initiated program by the students and is functioning well in a limited period of time. The Grey Matter is another commendable initiative by the students of MIMER. It is suggested that the staff of medical college should also contribute for this initiative.

Social Anxiety Disorder – This is an extraordinary innovative project by the students which is a very unique teaching program. The script / story / dialogue delivery / sequence / co-ordination was superb.

Advantages – participation of group, for example: leadership, team building, extremely energetic staff etc.

Recommendations: The visit was very well organized so as to get maximum benefit to students and faculty. In view of the above, special time to be given to prepare the schedule for such visits well in advance. Any changes to be made with prior notice to all to ensure maximum attendance and participation.

The number of students both UG and PG are the largest on the campus. We will use their motivation / strengths for moving ahead to have active participation in research projects. Personal opinion of Dr. Jamkar is that the staff and students of MIMER are brilliant and can take active efforts in research field. The PG students and faculty should be the force to get the required changes in the research field. They should take the responsibility – should form the groups – to take good care of the patients. They should come forward to bring changes.

Dr. Suchitra Nagare:

Dr. Sujata Jog, Anatomy Head of Department - Initiated good interpersonal relations.

Dr. Jamkar's help in various committees. The ideas given by Dr. Jamkar were always implemented.

Faculty participation in Committee visits: Dr. Sushma / Dr. Sachin etc. Other faculty members also got connected and involved in various inspections. All efforts are being made so that the system should perform on its own, i.e. it should not be a person centric.

This year, UG Students are also participating in AFMC conference – Impact.

Dr. Pandav:

Interaction with PG students is a challenging exercise. There are many things that are yet to be done for orientation and research.

Special course for PG students is to be designed. Syllabus and course curriculum to be developed.

Faculty learned a lot from AIIMS visit. They should write their feedback regarding the visit.

Staff should maintain a calendar as time management is very important for each and every person whether he is living in a rural or urban area.

Team building – Persistent to give time management sessions.

Weekly guest lectures to be organized. Also, PG students should be encouraged to give lectures to UG students.

Suggestions:

- Hospital & College Entrance lobby – Photograph of Dr. V.D. Karad and Vivekananda to be mounted.
- Students apron should be of fixed size.
- Name plates with different colours for UG / PG students, teaching and non-teaching staff.
- Signage in the campus
- Sports ground
- Infrastructure renovation – painting

Requirement of Budget on priority: for renovation and other work.

**Workshop on Good Clinical Practices (GCP) Guidelines**PRINCIPAL MIMER <principal@mimer.com>
To: Dr. Yuvraj Patel <yuvrajpatel@mimer.com>

25 April 2019 at 17:02

To,

Dr Yuvraj Patel

This is to inform you that you have been nominated to the Institutional Ethics Committee of this institution.

A workshop on "Good Clinical Practices (GCP) Guidelines" is being organized as part of the mandatory training for IEC members.

The date & timing of the workshop are 29th April 2019 from 10.00AM to 1.00PM at Shushruta Hall on 1st floor of OPD Bldg.

Please ensure that you are attend the workshop. Kindly confirm your attendance.

Please confirm your attendance by replying to this email.

Fwd: Approval for nursing activity .

SURGERY DEPARTMENT <surgery@mitmimer.com>

11 October 2018 at 11:42

To: PRINCIPAL MIMER <principal@mitmimer.com>, medical Superintendent <ms@mitmimer.com>

Respected Sir/ Madam,

Kindly note that this activity is being arranged for the benefit of nursing staff , this is for your information and kind approval.

Nursing activity on topic "wound care management" for educational purpose of nurses has been confirmed by GSK on 19 October 2018 (At 12Pm) in "Mimar Medical Collage " , Talegaon. From Ram surywarshi.MBA-Chinchwad, FORTIOR TEAM.GlaxoSmithKline pharmaceutical Ltd.Contact-9503722109/8007715333

—
Thanking you.

Yours sincerely,

Dr.Sachin Naik

HEALTH SCIENCES EDUCATION TECHNOLOGY UNIT

MIMER MEDICAL COLLEGE, TALEGAON (D)

**Basic Workshop in Research Methodology held from 16 to 18 Aug 2018 at
MIMER Medical College, Talegaon Dabhade, Pune**

MUHS Approval No. MUHS/IMETTT/369/2018 dtd. 13 Aug 2018

No. of participants- 38

Participants

PG Residents and PG teachers from MIMER Medical College, Physiotherapy colleges & Ayurvedic Colleges

Pre and Post test results:

36/38 showed improvement of test score (94.73%)

The maximum difference in test score was of 12 marks

Average difference was 5.13

Analysis of session feedback forms:

Day 1

'Ethical issues in medical Research' was rated as the best by most of the participants followed by descriptive study design and literature search.

Day 2

'Sampling' was rated as the best by maximum participants followed by 'critical evaluation of journal article'. Better time management was suggested by 2 of the participants. More time for sampling group activity was also recommended.

Day -3

'Writing research proposal' and computer assistance in Excel and Epi Info were listed as the most liked session. 2 participants suggested that 'Inferential Statistics' could have been better. More time for Excel & Epi Info was also recommended

Overall

All the participants felt that the objectives of the workshop were largely achieved.

Except 2, who were not sure, everyone found workshop useful for their professional activities.

All of them felt that the faculty was resourceful

Except 2, who were not sure, all of them felt that they will be able to implement what they have learned during the workshop.

5 participants felt that the schedule of the workshop was too tight and have suggested having it spread over more days. Others felt that it is optimum balance of theory and practice.

Participants conveyed that the group activity helped them to understand the theory in a better way, it helped them to learn from the mistakes.

Group activity and Computer Assisted learning were the best in the workshop.

MIMER Medical College, Talegaon (D), Pune
Basic Workshop in Research Methodology
Workshop Date: 6th to 8th Sep .2017

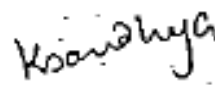

Workshop Report

- The Medical Education Technology (MET) unit of MIMER Medical College has organized a Basic Workshop in Research Methodology Workshop from 6th to 8th September 2017
- The workshop was approved by MUHS (Ref. No. MUHS/IMETTT/31/ 2017 dated 21/08/2017)
- The faculty was from the MIMER Medical College as well as from other medical colleges were invited as speaker for various topics in research methodology.
- All the faculty was approved by IMETT Aundh, Pune for Research Methodology workshop.
- Daily attendance of the participants in morning and evening session was taken and sent here along with report.
- The program schedule was followed as per MUHS norms. All the topics were conducted as per the MUHS time schedule.
- Pre & posttest were conducted

- The faculty was from the MIMER Medical College and colleges were invited as speaker for various topics in
- All the faculty was approved by IMETT Aundh, Pun Methodology workshop.
- Daily attendance of the participants in morning and evening and sent here along with report.
- The program schedule was followed as per MUHS norms conducted as per the MUHS time schedule.
- Pre & posttest were conducted

- Feedback for all 3 days from all the delegates was collected separately & on the 3rd day program evaluation questionnaire was distributed to all the participants & the same was collected.
- Daily evaluation was done for all sessions of the day. All the sessions were rated above average by all participants. Literature search, sampling methods and inferential statistics were rated best by all participants along with group activities.
- Overall evaluation suggested that the workshop was found to be very useful by the participants though it was tightly scheduled.
- Suggestions for betterment included providing written material or ppts of the sessions. MET cell of MIMER medical college is going to do so in the next workshop.
