Dear Sir/Ma'am,

Greetings from Kantilal Shah Vidyalaya!

I hope this message finds you well. As a part of new initiatives in the academic year 2021-22, we have started with two committees: **GWC & BWC (Girls Welfare Committee and Boys Welfare Committee)**. I, the Principal of Kantilal Shah Vidyalaya, hereby take this opportunity to invite you to our school to share your knowledge and provide guidance to our children on 13th August 2021 from (10:00 am to 11:00 am) for GWC (Classes 8 to 10) and from (11:30 am to 12:30 pm) for BWC (Classes 8 to 10) on the topic "**Changes in ME**". Our goal is to sensitize all our children about the biological and emotional changes that take place during adolescence and how to deal with these changes optimistically.

Your expertise and experience as a doctor will be an excellent addition for this session, as I feel children will be more comfortable in sharing their concerns and asking you questions related to the topic. It is an honour to be able to invite you as our Guest Speaker for a talk on the above-mentioned topic as we are aware of your great contribution in the medical field. To have you as our guest speaker would be an honor not only for our students but for all of us. If you could kindly confirm the availability on the above mentioned date and time.

We look forward to your response, and we hope you'll accept the invitation.

Regards,

Padmini Tejani
