## MAAER'S MIMER MEDICAL COLLEGE & DR. BSTR HOSPITAL

### Best Medical College & Dedicated COVID Hospital Of The Year

The fearful pandemic which started in India last year has had very severe repercussions on Business, trade and lives of individuals. There was no known cure or vaccine preventing people from getting infected.

At this juncture, on the call of Hon'ble Prime Minister, *Doctors, Nurses, Health workers and Hospitals* came forward and worked relentlessly without caring for their own lives, serving and saving patients. It also includes individuals, institutions & administrators who worked towards easing the pandemic. In real sense *Doctors, Nurses, Health workers, Hospitals & Social workers* were God sent and should be aptly referred as *Corona Warriors*.

Navabharat Group salutes these front-line Corona Warriors by recognizing their overall contribution honoring them through 'Navabharat Healthcare Awards 2021'
