Sub: - Regarding functioning of DOTs center under National Tuberculosis elimination programme

Respected sir

Tuberculosis is major public health problem in India with significant mortality. To diagnose and treat tuberculosis patient Revised National Tuberculosis Control Program is functioning since 2004. In RNTCP at every medical college DOTs center is established with one medical officer, TBIV and Lab technician on contract basis.

DR Bhausahb Sardesai Talegaon Rural Hospital is tertiary care hospital and providing tuberculosis services to 30 patients every month. All required medicine and logistic supplied by RNTCP programme.

This program is now renamed as National Tuberculosis Elimination programme and needs support for tuberculosis programme and requesting DOTs services to be continued at this center.
