**Subject: Thanks for your timely support for patient welfare
at Dr. BSTR Hospital, Talegaon (D)**

Dear Sir,

Dr. BSTR Hospital is a tertiary care centre, serving the patients from Khed, Haveli and other rural parts of Pune since the last 25 years. We have been at the forefront in this fight against the Covid-19 pandemic and are designated as 'Dedicated COVID Hospital' (DCH) in Maval Taluka since March 2020.

We would like to extend our sincere thanks and gratitude for your very generous and timely gesture of donating 900 Nasal Cannula sets to Dr. BSTR Hospital in Medium/Large/XI size. It is anticipated that the third wave will affect paediatric patients as well. We are requesting you to kindly provide us with paediatric Nasal Cannula sets so that we can use them for the needy patients.

We look forward to your continued support.

Warm regards

Dear Sir,

Dr. BSTR Hospital is a tertiary care center, serving the patients from Khed, Haveli and other rural parts of Pune since the last 25 years. We have been at the forefront in this fight against the Covid-19 pandemic and are designated as the only 'Dedicated COVID Hospital' (DCH) in Maval Taluka since March 2020.

During the first wave Dr. BSTR Hospital had treated more than 2000 patients. In current wave, because of more number of patients, we have expanded our ICU services from 20 to 60 beds. We have deployed our maximum resources for the benefit of both COVID and Non-COVID patients. We are still doing our best to ensure that no needy patient suffers for want of critical medical treatment. We are also focusing on preventive aspects of this pandemic by participating in the vaccination drive since Jan 2021 alongwith in-house RT-PCR facility available for the patients in and around Maval.

Remarkable people, organizations, community groups, small businesses and corporations have all stepped up to support our front-line health care workers, first responders and patients with donations of personal protective equipments, hospital equipments ,monetary aid and have appreciated the efforts of MIMER Medical College and Dr BSTR Hospital.

We would like to extend our sincere gratitude for your very generous and timely gesture of donating Two Drager Ventilators to Dr BSTR Hospital. These crucial and life-saving equipments will help us tremendously in winning this fight against COVID-19 and will help us to save the lives of many critical patients.

We greatly appreciate this noble contribution of MIT-ADT university towards a social cause. *Thank You* for helping us meet the challenges of this moment, so we can continue to provide the highest order of care with inclusion, integrity, compassion, accountability, respect, and excellence.

Warm regards
