**Basic Workshop in Research Methodology held from 16 to 18 Aug 2018 at
MIMER Medical College, Talegaon Dabhade, Pune**

MUHS Approval No. MUHS/IMETTT/369/2018 dtd. 13 Aug 2018

No. of participants- 38

Participants

PG Residents and PG teachers from MIMER Medical College, Physiotherapy colleges & Ayurvedic Colleges

Pre and Post test results:

36/38 showed improvement of test score (94.73%)

The maximum difference in test score was of 12 marks

Average difference was 5.13

Analysis of session feedback forms:

Day 1

'Ethical issues in medical Research' was rated as the best by most of the participants followed by descriptive study design and literature search.

Day 2

'Sampling' was rated as the best by maximum participants followed by 'critical evaluation of journal article'. Better time management was suggested by 2 of the participants. More time for sampling group activity was also recommended.

Day -3

'Writing research proposal' and computer assistance in Excel and Epi Info were listed as the most liked session. 2 participants suggested that 'Inferential Statistics' could have been better. More time for Excel & Epi Info was also recommended

Overall

All the participants felt that the objectives of the workshop were largely achieved.

Except 2, who were not sure, everyone found workshop useful for their professional activities.

All of them felt that the faculty was resourceful

Except 2, who were not sure, all of them felt that they will be able to implement what they have learned during the workshop.

5 participants felt that the schedule of the workshop was too tight and have suggested having it spread over more days. Others felt that it is optimum balance of theory and practice.

Participants conveyed that the group activity helped them to understand the theory in a better way. it helped them to learn from the mistakes.

Group activity and Computer Assisted learning were the best in the workshop.

REPORT OF THE WORKSHOP

CISP-2 was successfully conducted at MIMER Medical College from 29- 30 September 2020. On behalf of MIMER Medical College, I thank MCI observer from regional Centre (AFMC) Col. Rakesh Datta for his guidance and support which was essential for the successful organization of the workshop in these trying times. I also thank the MCI for giving us the permission to conduct the CISP-2 workshop and also for providing the resource materials for the same.

FEED BACK FROM PARTICIPANTS

Participants were of the opinion that the objectives of the workshop were largely achieved and it is useful for professional activities. Time management was optimum. Faculty were helpful and responsive to learning needs. According to the participants workshop had a balance of theory and practical. Participants appreciated the changes made in the GMER 2019 and are of the opinion that it would help the IMGs competent to carry out his/her professional commitment. At the same time, they realized the responsibility of the faculty for implementation of the new curriculum. Training the entire faculty of the institution is an important task and is necessary for new curriculum implementation. Most of the participants suggested similar workshops once in a year to train the faculty

GOOD CLINICAL PRACTICES (GCP) WORKSHOP REPORT

A workshop on “**Good Clinical Practices (GCP) Guidelines**” was organized on **29th April 2019** as part of the mandatory training for IEC members.

It was conducted in Shushruta Hall on 1st floor of OPD Bldg.

The Workshop was conducted by Dr. Khokan Debnath and Dr. Deepak Landage Prof & Head, Department of Pharmacology, DY Patil University School of Medicine, Navi Mumbai.

The programme included sessions on:

- 1. GCP Guidelines (ICMR & ICH),**
- 2. Schedule ‘Y’,**
- 3. Regulations in Clinical Trials,**
- 4. Roles and responsibilities of IEC/IRB members,**
- 5. Sponsor and Investigator**
- 6. Regulatory Updates.**

The total number 23 participants attended the one day workshop

It was a good interactive session. It was an important session, as latest updates from DCGI were presented and discussed. Many of the doubts of the faculty were cleared up by the expert guest speakers. The members of the IEC were trained along with other interested members of the MIMER college faculty.

All participants were awarded certificates on completion of the workshop.
