DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

COMMENTS REGARDING CAMP

Department of obstetrics & Gynaecology would like to thank honorable Executive Director & the administration for giving full support to conduct the "Menstrual Disorder Camp" on 21/01/2021.

Faculty of our department participated with great enthusiasm to give good service to the patients who attended the camp. A proper arrangement for the smooth functioning of the camp was formulated by the Head of the department and faculty.

A Registration counter was set up at the entry with separate counter for OPD paper. After which the patient were directed to the examination OPD - where each patient was attended by faculty for examination, counselling and formulating proper plan of further management. Patients were guided to get the investigations done and follow up for operative procedure. A feedback form was taken from patients.

However patients faced problems at the cash counter due to merging of cash counters there was lot of delay in getting entry done for investigations. A separate cash counter for the camp purpose would be appreciated.

All the faculty along with interns, Nursing staff, social worker and class IV workers did the best to make this camp a great success.

Nanoli Tarf Chakan, a village adopted by the MIMER Medical College and BSTR Hospital. A group of 56 students from 1st year MBBS paid a visit to the village on Saturday, 6th February, 2021. The Visit was headed by Dr. Ashlesha Dandekar (Dept of Community Medicine) and social worker Mr. Tilekar. We received great help and co-operation from the village Sarpanch, Mr. Shinde.

Each student was allotted a family from the village. The students were briefed about how to interact with their families & take detailed information of the families, their lifestyle, living conditions, health status etc. They will also educate the families regarding various health issues and it's precautions on their next visit.

A small OPD Unit was set-up near the Gram Panchayat office wherein patients were examined and medicines dispensed. About 18 patients were referred to Dr. BSTR Hospital for further treatment, in the departments of Ophthalmology, Medicine, Dermatology, Orthopaedics, Psychiatry and Physiotherapy.

We assured the villagers that such visits would be conducted twice every month.

**\*अवयवदान प्रतिज्ञा\***

माणुसकी हा माझा मूळ धर्म आहे. पीडीतांच्या व गरजूंच्या जीवनात आनंद फुलवणे हीच माणुसकीची खरी शिकवण आहे अशी माझी श्रद्धा आहे.

अवयवदानामुळे गरजू रुग्णांच्या जीवनात आनंद फुलविणे शक्य होते तसेच मृत्यूपंथाला लागलेल्या व्यक्तीला नवा जन्म देता येतो. त्यामुळे हे सर्वात मोठे पुण्यकर्म आहे यावर माझा विश्वास आहे.

मी प्रतिज्ञा करित आहे की माझ्या शरीरात जे जे अवयव दुसऱ्या मानवाच्या जीवनात आनंद फुलवू शकतील अशा अवयवांवर माणुसकीचा पहिला हक्क व अधिकार असेल.

माझ्या अवयवांचा अशा माणुसकीच्या पुण्यकार्यासाठी उपयोग झाला पाहिजे असा माझा आग्रह आहे. माझ्या पुढील पिढ्यांनी या आग्रहाचा मान राखावा म्हणून मी त्यांना सतत स्मरण देत राहीन आणि पुढील पिढ्यांवर असेच संस्कार व्हावेत यासाठी मी प्रयत्नशील राहीन.
