Cornea retrieval training program for post graduate students:

In the quest towards elimination of corneal blindness, Mimer Medical College Talegaon (D) and H.V. Desai Hospital, Hadapsar together has started training program for P G students.

On 6 January 2017, four PGs were trained in presence of Dr Sambarey, Dr Vabale, Dr Pawar and Dr. Walke.

PGs were trained in standard approach for donor eyeball preparation, aseptic technique throughout corneal retrieval and surgical technique of corneal button removal, its storage and transport.

Suturing of eyelid and covering with plastic sheet to avoid disfigurement of donor was also taught. Similar training was conducted on 6th march 2019 for P G residents by Dr. Smita Pawar.

4 P G students were trained in retrieval, preservation and transportation process of corneal button.

Routine seminars for PGs are conducted on retrieval procedure, importance of aseptic precautions during the procedure and transportation followed by recent advances in keratoplasty and graft rejection in January and March 2019.

Eye donation pledge forms are filled by the patients and eye donation cards are provided to them.

Training attended by P G residents in 2017::

1. Shweta Pandey
2. Sujay Herekar
3. Abhijit Misal
4. Swapnil Unhale

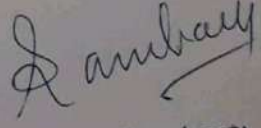

Training attended by P G residents in 2019:

1. Abhijit Patil
2. Archana Nimmalwar
3. Nivea Surana
4. Madhuri Digole
