

MIMER MEDICAL COLLEGE – TALEGAON (D)

Immunization clinic functioning in the hospital.

- Immunization clinic is functioning daily on all working days from 9am to 4 PM.
- There is adequate staff teaching as well as non-teaching deployed there.
- All vaccines advised under universal immunization Programme and also those advised by Indian Academy of pediatrics are stored under proper recommended temperature at the center.
- There is separate designated space allotted to this clinic.
- Adequate refrigerators as advised by WHO are in functional condition.
- We have three immunization centers.
 1. Pediatric OPD at Dr BSTR Hospital
 2. UHTC Talegaon
 3. RHTC Sudumbare

The number of beneficiaries at above mentioned centers during last five years is as follows.
