SHORT-TERM STUDENTSHIP (STS 2020)

Proposal Result

IMPORTANT- *The Application Attestation Form (*AAF) submitted by some of the selected students is incorrect/ incomplete/ signature/ stamp is missing/ not visible clearly or not filled up completely. Only those students will be sent a separate email shortly, to re-submit the correct and complete AAF to ICMR as required. The revised filled in completed AAF should be sent by email to stshrd2017@gmail.com by 25th June 2020 (by 3:00pm).

Please note: If required AAF is not received by 25th June, 2020 the selection of the withheld students shall stand cancelled without any further information. In case the Medical/Dental College is not yet opened due to COVID-19, then a letter from the Guide through email is required to be sent to us by 25th June 2020 stating the same, with reason.

General Information

1. The final list of students selected for STS 2020 Program is displayed below in order of their STS-2020 Reference ID. **There will be no second list.**
Please note: Always quote your STS Reference ID for any future correspondence emails to ICMR.
DO NOT SEND EMAILS ASKING FOR REASONS OF REJECTION/COMMENTS etc. Such emails will not be entertained or corresponded. (Pl. see STS Guidelines for details).
2. Each application was reviewed independently by group of Experts for its scientific value and selections have been made as per scores obtained.
3. The selected students are expected to **carry out their project work in any two months from 10th June 2020 to 30th November 2020 (the timelines have been revised and extended only for STS-2020 because of the existing COVID-19 Health Emergency)** and prepare and **submit the detailed Report latest by 31st December 2020.** Students are requested to visit the ICMR-STS website from time to time and comply with the updated instructions for timelines and Report submission.
4. The research carried out by the student must be in compliance with ICMR “Ethical Guidelines for Biomedical Research on Human Participants, 2017” which may be downloaded from ICMR website ([http://www.icmr.nic.in/sites/default/files/guidelines/Handbook on ICMR Ethical Guidelines.pdf](http://www.icmr.nic.in/sites/default/files/guidelines/Handbook%20on%20ICMR%20Ethical%20Guidelines.pdf)).
5. **VERY IMPORTANT:** Before beginning the research work, a clearance from an appropriately constituted (as per ICMR Ethical guidelines) Institutional Ethics

(*Students to submit the AAF as applicable (mail will be sent shortly for the respective AAF problem) otherwise application will be rejected)

Committee (IEC)/or Institutional Animal Ethics Committee (IAEC) should be obtained, as applicable. If the Ethics Committee composition is not as per ICMR guidelines, the completed report of the student will not be accepted by ICMR.

6. If the Ethics Committee does not approve the student's project OR does not hold a meeting or the student does not have the approval due to any reason, he/ she should not carry out his/ her research till he/ she receives the approval. **Report on research carried out without ethical approvals shall not be accepted.** In case it is felt that research belongs to exempt category a "certificate of exemption" may be obtained from the IEC and submitted to ICMR along with the report.
7. The Ethics Committee clearance must be obtained at the earliest between **January-September** so that the student gets **at least two month** time to carry out the research and submit the STS report by the deadline given.
8. For all research on human participants/ samples/ data/ retrospective records, an Institutional Ethics Committee approval is required. In addition, an informed consent should be taken from the research participants. In case, it is felt that informed consent is not needed/ cannot be obtained, permission for **waiver of consent** should be obtained from the IEC before initiating research.
9. Research should be completed under the Guide who would take the overall responsibility for the conduct of research, preparation and submission of report and the required enclosures within the stipulated time period.
10. In an event of the Guide leaving the Institute/College before completion of the project, the student may continue work under a new guide from the same department after obtaining permission from Principal/Dean. Permission of the ICMR is not needed, but information should be duly sent to ICMR after getting approval.
11. **Kindly complete the research at the earliest, so that the report can be prepared and submitted well in time.**
12. The decisions taken by ICMR shall be final for all. No correspondence in the matter will be entertained.
13. **Detailed instructions/guidelines for preparing and submitting the STS 2020 Report will be available on ICMR website till the end of June 2020 and should be strictly followed and referred to.**

6. The grantee organization will maintain separate audited account for the project and the entire amount of grant will be kept in an interest bearing bank account. For Grants released during F.Y. 2017-18 and onwards, all interests and other earnings, against released Grant shall be remitted to Consolidated Fund of India (through Non-Tax Receipt Portal (NTRP) i.e., www.Bharatkosh.gov.in), immediately after finalization of accounts, as it shall not be adjusted towards future release of grant. A certificate to this effect shall have to be submitted along with Statement of Expenditure/ Utilization Certificate for considering subsequent release of grant/ closure of project accounts.
7. The grant-in-aid being released is subject to the condition that:
 - a. A transparent procurement procedure in line with the Provisions of General Financial Rules 2017 will be followed by the Institute/Organization under the appropriate rules of the grantee organisation while procuring capital assets sanctioned for the above mentioned project and a certificate to this effect will be submitted by the Grantee organization on receipt of the grant.
 - b. While submitting Utilization Certificate/Statement of Expenditure, the organization has to ensure submission of supporting documentary evidences with regard to purchase of equipment/capital assets as per the provisions of GFR 2017. Subsequent release of grants under the project shall be considered only on receipt of the said documents.
8. DST reserves sole rights on the assets created out of grants. Assets acquired wholly or substantially out of government grants (except those declared as obsolete and unserviceable or condemned in accordance with the procedure laid down in GFR 2017), shall not be disposed of without obtaining the prior approval of DST.
9. This project does not provide for any payment of honorarium, remuneration/ fellowship/ scholarship to the PI.

10 The account of the grantee organization shall be open to inspection by the sanctioning authority and audit (both by C&AG of India and Internal Audit by the Principal Accounts Office of the DST), whenever the organization is called upon to do so, as laid down under Rule 236(1) of General Financial Rules 2017.

11. Due acknowledgement of technical support / financial assistance resulting from this project grant should mandatorily be highlighted by the grantee organization in bold letters in all publications / media releases as well as in the opening paragraphs of their Annual Reports during and after the completion of the project.

12 Failure to comply with the terms and conditions of the Order will entail full refund with interest in terms of Rule 231 (2) of GFR 2017.

13. The expenditure involved is debitable to:
Demand No.87, Department of Science & Technology for the year 2020-21:

3425	Other Scientific Research (Major Head)
60	Others
60.200	Assistance to Other Scientific Bodies (Minor Head)

MUST forward the copy of this E-mail to your guide.

Dear Students,

This is in reference to your application for ICMR- Short Term Studentship-2018 submitted ONLINE to the ICMR.

I am pleased to inform you that the Director-General, ICMR approves selection of your application for STS on a stipend of Rs. 10,000/- fixed i.e. Rs. 5000/- per month for any two months (between April to July, 2018) to work on the proposed research project. **The award is subject to conditions and approval of report by ICMR.** Kindly complete the research at the earliest, so that the report can be prepared and submitted in time.

Please note that no report shall be considered/ accepted after the due date i.e. 15th October 2018.

The research carried out by the student must be in compliance with *ICMR's ICMR Ethical Guidelines for Biomedical Research on Human Participants, 2017 and National Ethical Guidelines for Biomedical Research Involving Children*, which may be downloaded from ICMR website (http://www.icmr.nic.in/guidelines/ICMR_Ethical_Guidelines_2017.pdf) and http://www.icmr.nic.in/guidelines/National_Ethical_Guidelines_for_BioMedical_Research_Involving_Children.pdf

Please note: If the work involves human participants, then a clearance from the Institutional Ethics Committee (IEC) must be obtained along with an informed consent from the subjects recruited for the study. Also note that studies involving stored samples/ human biological materials/ retrospective analysis of records/ surveys etc, also require clearance from IEC. If the work involves use of animals, then a clearance must be obtained from the Institutional Animal Ethics Committee (IAEC). Research should not be initiated unless cleared by the ethics committee. In case it is felt that research belongs to exempt category a "certificate of exemption" may be obtained from the IEC.

On completion of the studentship, a report of the actual work done may please be submitted ONLINE as per detailed format and instructions specified on ICMR website. **It is advised that prior to writing the report, please go through all the instructions loaded by ICMR thoroughly.** The report must have an Introduction, Review of Literature, Aims and Objectives, Material and Methods, Observations and Results, Discussion, Conclusions & Bibliography and must be submitted ONLINE before the last date. Printed copies of reports will **"NOT"** be accepted. Without appropriate clearances from IEC/IAEC, the report will not be accepted.

The ICMR has initiated this programme to provide opportunity MBBS students to familiarize themselves with

research techniques, methodology and also with preparing reports. It is expected that the Guides provide ample support and guidance to the students in their endeavor. Further information about report preparations and its submission as well as the last date for submission is provided on ICMR website. You will have to carry out the project work as early as possible in **any two months** between April to July, 2018 and submit the detailed report online latest by **15th October 2018. The dates to submit the report will be between 1st August 2018 to 15th October, 2018**, however, it is advised that the updated instructions on ICMR website (www.icmr.nic.in) may please be followed.

In case of any queries, please send email at stshrd2017@gmail.com

Wishing you all the best.

CENTRAL RESEARCH LABORATORY **DETAILS AND ACHIEVEMENTS**

MIMER MEDICAL COLLEGE, TALEGAON DABHADE

Central Research Laboratory

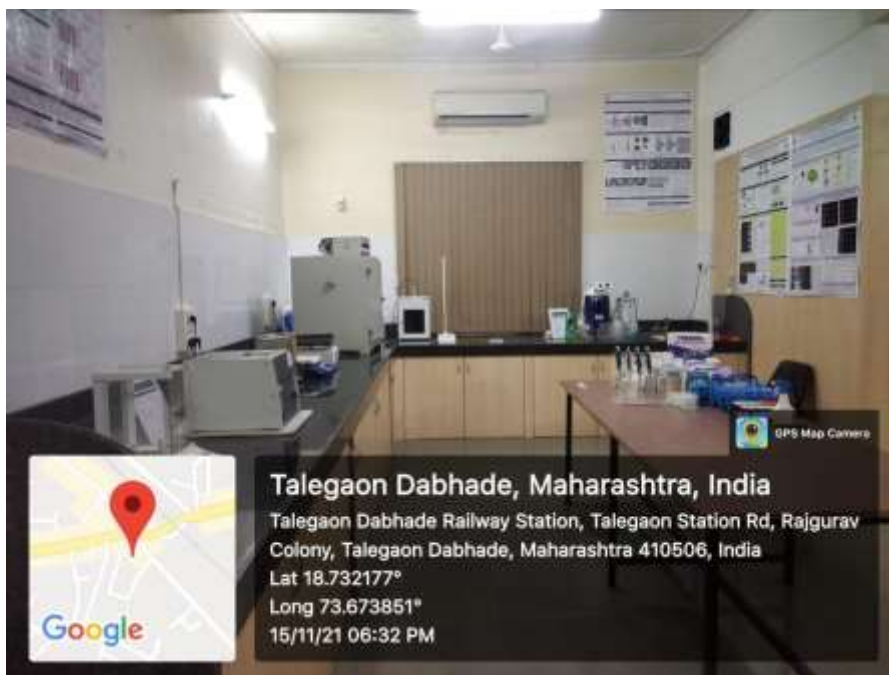

List of Faculties

Sr. No.	Name of Faculty	Designation	Qualification
1	Dr. Shashwat Banerjee	Prof & Head	PhD
2	Dr. Govind Chate	Research Associate	PhD
3	Ms. Shraddha Patil	Project Assistant	MSc

Facilities available at Department of Central Research

In Central Research Lab, we have facility to design and synthesize of nanomaterials for various biomedical applications. The lab provides all the analyses facility for such as nanomaterial characterization, spectrophotometric analysis of nanomaterials, proteins etc. The lab also has an in vitro cell culture facility which houses a wide range of cancer cell line. The facility also includes a microscopy room. The cell culture facility has Class II Biosafety Cabinet, CO₂ incubator, fluorescence microscope and table top centrifuge machine.

Equipment : Central Research Laboratory

Fluorescence Zeiss AXIO Observer 3 Microscope

The Fluorescence microscopy is used to identify the cells and cellular components with a high degree of specificity. Both transparent and opaque samples can be analyzed with the help of microscope. It is also equipped with different type of filters, such as DAPI, FITC, cyanine, rhodamine which are used in imaging Nucleus, Cytoskeleton, and mitochondria, respectively

Tech Panacea Biosafety Cabinet

Cell culture hood is a carefully enclosed bench designed to prevent contamination of biological samples. The cabinet is equipped with laminar air flow system along with a UV germicidal lamp to sterilize chamber when not in use.

ThermoMultiskan FC Microplate Reader

Microplate Reader is used in variety of research and routine applications such as ELISA immunoassays, protein quantification, endotoxin, cytotoxicity and proliferation assays, enzymeassays and growth curves.

Agilent Cary Eclipse Fluorescence Spectrophotometer

It is used for fluorescent measurements in life sciences and biotechnology and also in characterization of photosensitive samples.

WORKSHOP
SELECTION OF JOURNAL
Targeting the right journal for publishing your research

For : Faculty and PG Students of MIMER & College of Physiotherapy

Date : 30th March 2021 (Tuesday)
Time : 2:15 PM
Venue : Sasfrut Hall

A faculty enrichment activity that aims to have an interactive session to help the researchers understand the various aspects to look for in a biomedical journal, and find the one that is most appropriate for publishing their research work.

FACULTY

Dr. Digaat Gupta, MBBS, MPH (USA)
Clinical Research Consultant, MIMER
(26 publications in international journals)

Dr. Varoon C. Jaiswal, MPTA, PhD (abstr)
Professor, MAEER's Physiotherapy College
Head, Research Dept., Physiotherapy College

CONTENT

1. Overview of biomedical journals
2. Indexing
3. The impact factor
4. Publication models
5. How to match the journal with your research
6. Understanding journal requirements
7. Adapting your paper according to the journal guidelines
8. Avoiding predatory journals
9. Q & A Session

2.CME (Multidisciplinary)- “Mucormycosis: An Emerging Challenge in COVID -19” on

9th June 2021

MITR & MIMR Medical College &
Dr.BSTR Hospital, Talegaon Dabhade, Pune
Department of Clinical Research & Incubation Center

C M E (MULTIDISCIPLINARY)

TOPIC : Mucormycosis: An Emerging Challenge in COVID-19

DATE : 9th June 2021 (Wednesday)

TIME : 2 to 3:45 PM

VENUE : Sushrut Hall, MIMR

Post-COVID Mucormycosis is a potentially fatal fungal infection that can be devastating for the patient, who is barely recovering from a treacherous viral infection. This is nothing short of - from the frying pan - into the fire' scenario. Only an aggressive and a multidisciplinary approach can efficiently manage this potentially fatal condition.

This CME has been organized to present an overview of the condition from the perspective of some of the medical specialties involved in its management.

SPEAKERS :

1. DR SANTHOSH KUMAR	DEPT OF ENT
2. DR PRADNYA BHALERAO	DEPT OF GENERAL
DR VIBHAVARI BAHATE	DEPT OF GENERAL
3. DR HARSH DESAI	DEPT OF DENTISTRY
4. DR SANTOSH SABNIS	DEPT OF RADIOLOGY
5. DR SADHNA CHATE	DEPT OF MICROBIOLOGY
6. DR RAJENDRA ZOPE	DEPT OF PATHOLOGY

3. CME (Webinar)- “Mucormycosis: All that we know today!” on 9th July 2021

**MUCORMYCOSIS :-
ALL THAT WE KNOW TODAY !
(WEBINAR)**

9th JULY 2021 (FRIDAY) 1 TO 3:30 PM

MAHER Medical College has organized a CME (Webinar) to equip the medical professionals with the basic knowledge and practical aspects of treating Post-COVID Mucormycosis. It is an opportunity to interact with the experts from different specialties and understand more about the condition, as they share their experience in managing this potentially fatal fungal infection.

PATRON

The field of Medicine is one where science and social commitments walk hand in hand. In order to fulfill the dream of creating such committed doctors, MAEER'S MIT Pune, established, Maharashtra Institute of Medical Education & Research (MIMER) Medical College in the year 1995 at Talegaon Dabhade, near Pune, India. The Institute is affiliated to MUHS Nashik, and recognized by Medical Council of India. The College has intake capacity of 150 MBBS students and also post graduate students in various departments.

Benevolent Board of Management, highly experienced teaching faculty, ample clinical material, state of art educational facilities, student friendly atmosphere, set in an idyllic & scenic ambience, aptly summarise the Talegaon Dabhade campus of MIMER Medical College. National Bioethics Curriculum Implementation Center has been established at MIMER Medical College under the UNESCO India Bioethics Programme. The Institution has been accredited with "A" Grade by NAAC.

PATRON

The field of Medicine is one where science and social commitments walk hand in hand. In order to fulfill the dream of creating such committed doctors, MAEER'S MIT Pune, established, Maharashtra Institute of Medical Education & Research (MIMER) Medical College in the year 1995 at Talegaon Dabhade, near Pune, India. The Institute is affiliated to MUHS Nashik, and recognized by Medical Council of India. The College has intake capacity of 150 MBBS students and also post graduate students in various departments.

Benevolent Board of Management, highly experienced teaching faculty, ample clinical material, state of art educational facilities, student friendly atmosphere, set in an idyllic & scenic ambience, aptly summarise the Talegaon Dabhade campus of MIMER Medical College. National Bioethics Curriculum Implementation Center has been established at MIMER Medical College under the UNESCO India Bioethics Programme. The Institution has been accredited with "A" Grade by NAAC.

11) Many sponsors supported the conference. Monetary support received from different sponsors are – Rohan Biochem Rs. 30,000/-, Sai Agency – Rs. 25,000/- & Pharma Companies. Total amount raised was Rs. 90000/-.

12) Management & MIMER Medical College supported a lot for the conference.

13) Suggestions for further improvement:

- a. If possible, keynote address & guest lectures should be displayed live in the corridor & auditorium using LED screens.
- b. A microphone & audio system in Auditorium will be helpful to make announcements.
- c. Breakfast & Lunch coupons should be provided to supportive non-teaching staff in the beginning of the conference.
- d. Tea should be served after keynote address & not before, so that attention can be given to next speaker.

Annual Research Society Conference

MIMER MEDICAL COLLEGE

The hallmark of an outstanding healthcare professional is mastery of technical knowledge and skill, allied with a commitment to care with empathy for their patients. In order to fulfill the dream of creating such committed doctors, MAEER's MIT Pune, established Maharashtra Institute of Medical Education & research (MIMER) Medical College, in the year 1995, at Talegaon Dabhade, near Pune, India. The institute is affiliated to MUHS Nashik and recognised by the Medical Council of India. The college has an intake of 150 MBBS students and also conducts Post-Graduate training in various departments. The institution has been accredited with 'A'Grade by NAAC. The National Bioethics Curriculum Implementation Centre has also been established at MIMER Medical College. A benevolent Board of Management, highly experienced and dedicated teaching faculty, ample clinical material, state-of-art educational facilities, student-friendly atmosphere, set in an idyllic and scenic ambience, aptly summarise the Talegaon Dabhade campus of MIMER Medical College.

7th ANNUAL RESEARCH SOCIETY CONFERENCE

NUTRITION Creating Healthier Lives !

VENUE

**MAEER'S
M.I.M.E.R. MEDICAL COLLEGE & Dr.
B.S.T.R. HOSPITAL**
Talegaon Dabhade, Dist. Pune

Dear Delegates

Nutrition is a critical yet often neglected aspect of comprehensive healthcare management. Nutritional needs of patients whether they be in paediatric or geriatric age group, in pregnancy, diabetes or even as a part of community healthcare must be planned, monitored and ensured to maintain sound health and a quick recovery from disease. The rushed and hectic lifestyle of both children and adults today precludes a healthy nutritional intake and yet the emphasis is to how to lose weight and try out various forms of 'diets'. The consequence of this is an unhealthy lifestyle and poor eating habits with deleterious effects on both mind and body. A well-balanced diet and healthy eating habits can improve mental health, increase concentration, decrease feelings of fatigue, anxiety and depression. It is rightly said "To eat is a necessity.....but to eat intelligently is an art". In keeping with this maxim, MIMER Medical College has taken up the challenge of discussing all aspects of this important theme at its 7th Annual Research Conference.

This conference promises to be an enriching experience and will be an ideal platform for budding and experienced health professionals to deliberate on the many facets of nutrition with the ultimate aim of creating healthier lives.

PATRON

Prof. Dr. Mishwanath Karad, MIMER Medical College and Dr. Bhausaheb Sardesai, Talegaon Rural Hospital, MITs, Talegaon Dabhade, Pune. In the year 2019-20.

To fulfil the dream of late Dr. Bhausaheb Sardesai to have a medical college and hospital in Maval region to serve the poor at affordable cost, MAEER's MIT, Pune established this Medical College in the Year 1995. Having started with 100 MBBS admissions, today the college is recognized for 150 MBBS seats and MD/MS in 11 subjects. The college is accredited by NAAC with Grade 'A'. Today, Dr. BSTR Hospital is having more than 700 beds and serves as a tertiary care center catering to the health needs of all sections of society.

The 8th Annual Research Society Conference and CME arranged on 20th & 21st December 2019 is part of this year-long celebration.

This Annual Research Society Conference is a small effort taken by the teachers and students of MIMER Medical College to promote a research oriented mindset amongst the medical fraternity. In addition to this, MIMER Medical College has its own journal, MIMER Medical Journal (www.mmj.net.in) which is indexed by various agencies like Index Copernicus, ProQuest and CrossRef.

Today, MIMER Medical College is working on many innovative and pioneering research projects of academic excellence which are recognized globally.

On this momentous occasion we, the dedicated faculty of MIMER Medical College, reaffirm our commitment to quality medical education aligned with moral, value-based universal education to produce globally competent Indian Medical Graduates to serve humanity.

INVITATION

Dear Delegate,

Leprosy is one of the oldest diseases known to man. Despite advances in all spheres of medical science, leprosy continues to be a public health challenge in countries like India. According to WHO, there were 2,08,619 new leprosy cases registered globally in 2018 from 159 countries including India.

The International Federation of Anti-Leprosy Association has declared this year's theme for World Leprosy Day as '**Ending discrimination, stigma and prejudice**'. In alignment with this theme, we at MIMER Medical College thought to take review of the Leprosy scenario in the country. So, the theme chosen for this 8th Annual Research Conference is '**Leprosy – Past, Present and Future**'. In India, 'Leprosy Day' is observed on 30th January every year to pay homage to Father of the Nation Mahatma Gandhi remembering his dedication towards leprosy patients.

This 8th Annual Research Society Conference will be an ideal platform for budding as well as experienced healthcare professionals to deliberate on many facets related to Leprosy. The outcome of this conference will definitely contribute towards a deeper understanding and evidence-based treatment of Leprosy.

We welcome you to the 8th Annual Research Society Conference and wish you an academically enriching experience.

Activity Report

Department: Pathology in association with Research society, MIMER medical college.

Activity: Annual Research Society Conference- Leprosy- Past, Present and Future

Duration: On **21th Dec 2019**, from 8.00 am to 5.00 pm

Participants: No of faculty: 186

No. of students: 51

Objective of activity: Leprosy is one of the oldest diseases known to man. Despite advances in all spheres of medical science, leprosy continues to be a public health challenge in India. The international federation of Anti Leprosy Association has declared the theme for World Leprosy Day 2019 as "Ending Discrimination, Stigma and Prejudice" In alignment with this theme , we at MIMER Medical College thought to take a review of the Leprosy scenario in the country.

Outcomes of activity: The 8th ARSC was an ideal platform for budding as well as experienced health care professionals to deliberate on many facets related to Leprosy. Topics like Leprosy vaccine, Changing scenario in therapy of leprosy and addressing disabilities and deformities in leprosy contributed to a deeper understanding on this topic

The terms and conditions for Project support under Grant-in-aid Letter Agreement (hereinafter called as "GLA") are as follows;

1. FUND DISBURSEMENT

- a. First installment of the Grant-in-aid will be released after issue of the GLA subject to fulfillment of the terms and conditions for such release (and after execution of Royalty Agreement in case of BIPP) by the relevant Parties. Further release of funds shall be subject to satisfactory progress against the objectives, outputs, milestones and targets specified in the Project which progress shall be determined by BIRAC and on submission of audited/certified statements of accounts and utilization certificates as provided for in Point 2 (a).

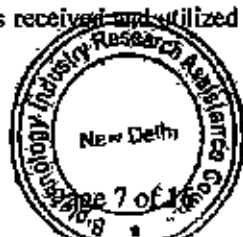

2. FUND UTILISATION AND ACCOUNTING

- a. The Company shall submit the Utilization Certificate (UC) and Statements of Expenses (SOE) duly audited by a Chartered Accountant for the expenditure incurred towards the Project for every half year period, ending 30th September and 31st March, to BIRAC, within a month of closure of the accounts for the respective half year, in the format provided by BIRAC. The CA shall also certify that there has been no change in the shareholding pattern and if there is any change, the particulars shall be specified.
- b. The Fund Recipients shall submit UC and SOE duly certified by Internal finance personnel to BIRAC in the format provided on the completion of the respective milestones.
- c. The Institute shall duly submit the periodic Progress Report for the Project to BIRAC.
- d. The Company and the Institute shall submit audited Annual reports along with the audited balance sheets and profit & loss accounts to BIRAC within seven months of the completion of the financial year ending 31st March till the completion of the Project Duration.
- e. The Company shall keep the Grant-in-aid assistance and their project contribution in a separate non-lien account in the name of the Company with a Scheduled Bank (as defined under the RBI Act, 1934), the withdrawals and payments from which account shall be subject to verification by BIRAC. It shall also obtain and furnish to BIRAC a letter from the concerned bank foregoing the right of set off or lien in respect of such account. Further, the interest earned on the Grant-in-aid if any should be reported to BIRAC. The interest thus earned will be adjusted towards further installment of the fund.

The Institute shall keep the Grant-in-aid assistance in an interest bearing account with a Scheduled Bank (as defined under the RBI Act, 1934), the withdrawals and payments from which account shall be subject to verification by BIRAC. The interest earned on the Grant-in-aid should be reported to BIRAC. The interest thus earned on the grant in aid will be adjusted towards further installment of the fund.

- f. The Fund Recipients shall ensure that the funds released for the Project are actually utilized only for the purposes of the Project and as expressly provided for in this GLA. Re-appropriation of BIRAC funds from one budget head to another shall not be effected without the specific written approval of BIRAC;
- g. The Fund Recipients shall refund such part of Grant-in-aid funds disbursed to it that remains unutilized with it upon completion of all the responsibilities, duties and functions specified in connection with the Project, within one month of such completion, to BIRAC along with consolidated accounts of the funds received and utilized and of the unutilized balance returned (UC & SOE);

- b. The Fund Recipients at their own cost, shall take adequate care to maintain the capital assets acquired for the Project through BIRAC's Grant-in-aid. The capital assets acquired through BIRAC's Grant-in-aid shall not be disposed of or hypothecated without the specific approval of BIRAC till full and final settlement of all dues to the satisfaction of BIRAC.

3. **PROJECT MONITORING**

A Project Monitoring Committee (PMC) comprising of eminent experts from the relevant field(s) will be constituted by BIRAC to monitor the progress of the objective(s) of the Project. BIRAC shall have at least one representative in the PMC.

The functions of the PMC shall be as follows:

- a. To monitor the progress of the Project in conformity with the outputs, milestones, targets objectives and other terms and conditions as contained in the GLA
- b. To keep track of funding from any other source for the Project.
- c. To assess the global developments impacting the domain of the Project.
- d. Based on the foregoing, to assess and recommend:
- i. the release of next installment or part release thereof by the BIRAC.
 - ii. revision of Project Duration
 - iii. closing, dropping or modifying any of the components of the Project, within the overall approved objectives, budget and time-frame,
 - iv. inclusion of additional industrial/institutional partner(s), if the Company and the Institutes requests involvement of such partner(s), in the overall interest of the Project; and
 - v. revision of the financial assistance.
- e. To advise on issues related to securing of IPR and mentor to overcome any technological problem faced in the Project implementation; and
- f. To advise on any other matter as referred to it by BIRAC and/or otherwise reasonably necessary for effective discharge of its duties and/or achievement of aims and objectives of the Schemes.

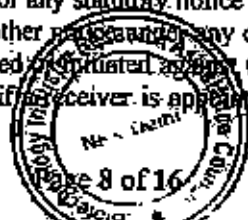

4. **INDEMNIFICATION**

- a. The Fund Recipients shall, at all times, indemnify and keep indemnified BIRAC against any claims or suits in respect of any losses, damages or compensation payable in consequences of any accident, death or injury sustained by their employees or by any other third party resulting from or by any act, omission or operation conducted by or on their behalf;
- b. The Fund Recipients shall, at all times, indemnify and keep indemnified BIRAC against all claims/damages etc. by any infringement of any Intellectual Property Rights (IPR) while carrying out their responsibilities/work under the Project and this GLA.
- c. The provision of Grant-in-aid funds by BIRAC does not create any liability, explicit or implicit, on BIRAC in respect of the manpower engaged in the Project.
- d. The Parties shall not be held responsible for non-fulfilment of their respective obligations in successful completion of the Project under this GLA due to the exigency of one or more force majeure events such as but not limited to acts of God, war, flood, earthquakes etc.

5. **CHANGE OF CONTROL:**

BIRAC shall reserve the right to reconsider further funding assistance, governance of the New Intellectual Property and consider refund of the amount of Grant-in-aid in such circumstances of change of control as mentioned the following paragraphs;

- a. The Company shall inform BIRAC if it proposes to undertake or permit any merger, consolidation, reorganization scheme of arrangement or compromise with its creditors or shareholders or effect any scheme of amalgamation or reconstitution or substantial expansion. The word 'substantial expansion' shall have the same meaning as under the Industries (development and Regulation) Act, 1951.
- b. The Company shall inform BIRAC within 30 (thirty) days, if it has notice of any application for winding up having been made or any statutory notice of winding up under the provisions of the Companies Act, 2013, or any other provisions of any other Act or otherwise of any suit or other legal process intended to be filed in a court of law against the Company and affecting the title to the properties of the Company or if a receiver is appointed of any of its properties or business or undertaking.

- c. The Company and the Institute shall notify BIRAC of any material change in its entity status, entity name, Shareholding pattern, Project Coordinator, implementation site, registered office or any such change that would impact on performance of its obligations under the Project and this GLA.

6. FORECLOSURE AND TERMINATION

- a. In case, during the Project Duration, it is found that the Project or any Project component is not likely to lead to successful completion, BIRAC may decide to foreclose the Project or the Project component as warranted. The decision of the BIRAC shall be final in all respects. The Company and the Collaborator Institutes shall immediately refund any Grant-in-aid unutilized out of BIRAC's disbursements to BIRAC. BIRAC, at its discretion can allow deduction of the future committed expenses to third party vendors on pro-rata basis according to the quantum of BIRAC's funding. The Company and the Collaborator Institutes shall submit Consolidated accounts of funds received, utilized and unutilized (UC&SOE). If the Company and the Collaborator Institutes like to continue the Project at its own cost, it would be able to do so without restrictions from BIRAC after complying with these provisions.
- b. The Company and the Collaborator Institutes may, before the completion of the Project, terminate this GLA by giving three months' notice in writing to BIRAC. BIRAC may also terminate this GLA by written notice in the event of committing breach of any term of this GLA and either not rectifying it to the satisfaction of BIRAC or not satisfying BIRAC about its inevitability within a specified period. In the event of termination of the GLA, no further disbursement shall be made by BIRAC. The Company shall be liable to return immediately the amount of Grant-in-aid already availed of from BIRAC with additional simple interest at the rate of 12 (twelve) per cent per annum within 30 (thirty) days of termination of the GLA. Interest on the quantum of funding assistance shall accrue from the date of release of the grant in aid assistance. The Collaborator Institutes shall immediately refund any funds unutilized out of BIRAC's disbursements, to BIRAC, along with consolidated accounts of funds received, utilized and unutilized (UC&SOE). In case of failure to repay, without prejudice to any other rights under this GLA, the amount can be recovered by initiating any procedure available in Law.

7. DISPUTE RESOLUTION AND ARBITRATION

In the event of any dispute or difference between the Parties hereto upon or in relation to or in connection with this GLA, such dispute or difference, shall be resolved amicably and in good faith by mutual consultation.

If such resolution is not possible, then the unresolved dispute or difference whatsoever arising between the Parties out of or relation to the construction, meaning, scope, operation or effect of this GLA or the validity the breach thereof or in respect of any defined legal relationship associated therewith or derived therefrom dispute shall be submitted for arbitration to International Center for Alternate Dispute Resolution (ICADR), an autonomous organization, working under the aegis of the Ministry of Law & Justice, Department of Legal Affairs, Government of India. The Authority to appoint the arbitrator(s) shall be the ICADR. The Arbitration under this Clause and provision of administrative services by ICADR shall be in accordance with the ICADR Arbitration Rules, 1996. The award made in pursuance thereof shall be binding on the Parties. The venue of arbitration shall be New Delhi and the arbitration proceedings shall be conducted in English Language. The provision of this Clause shall not become inoperative notwithstanding the GLA expiring or ceasing to exist or being terminated or foreclosed.

B. EFFECT AND AMENDMENTS TO THE GLA

PROPOSAL OBJECTIVES & WORK PLAN

Objective1: Development of user interphase, Patient registration, AI for symptom based diagnosis & algorithm for prescribing & dispensing drugs with SoS system definition

Methodology/Experimental Design To Accomplish The Stated Objective:

1. Design and development of user interface for patient information and to assist patient and architecting backend to store the information.
2. Understanding of disease flowcharts provided by medical domain experts and development of AI based disease diagnosis.
3. Defining methodology for generating e-Prescription and dispensing drugs, Define parameters for SOS system

Alternate Strategies: NA

Objective2: Development of data communication. Storage module, training to health care workers & Alpha testing of the developed

Methodology/Experimental Design To Accomplish The Stated Objective:

1. Preparation of in-house data storage and data synchronization with cloud storage. Develop a methodology for training materials and help menus for handling and usage of the systems.

INTELLECTUAL PROPERTY GOVERNING FRAMEWORK**I. SCOPE OF IP GENERATED DURING THE CONDUCT OF THE PROJECT**

- a) The New Intellectual Property (IP) rights belong to the recipient of funds, in a joint manner unless mutually agreed otherwise.

Provided, this Project is not determined as a "Nationally Important Project" to be governed through specific 'Order of BIRAC'. Such cases of "Nationally Important Project" shall have specific terms of licensing, pricing or March-in-rights for the purposes of public interest/ demand of Government of India.

- b) It is the responsibility of the Fund Recipients to protect the New Intellectual Property (New IP). They shall bear the expenditure involved in protecting the New IP.

2. GLOBAL ACCESS

The Fund Recipient(s) jointly and severally agree to conduct and manage the Project and the resulting products, services, processes, technologies, materials, software, data or other innovations (collectively, "Product") and any IP that arises (New IP) in the manner that ensures "Global Access."

Global Access requires that

- a) The knowledge and information gained from the Project be promptly and broadly disseminated or published.
 b) Project Developments and/or New IP are made available and accessible at an affordable price to people most in need within developing countries.
 c) In this regard, ensure Global Access in all present and future research and development agreements in a suitable form.

NOTE: For the purpose of this GLA, New IP means intellectual property generated during the conduct of the Project by the Fund Recipient(s), but excluding the intellectual property generated by the Fund Recipient(s) before execution of this GLA and any IP generated outside the scope of this GLA even during the term of this GLA.

3. The background Intellectual Property (IP) generated by the Fund Recipient(s) before execution of this GLA are as provided hereunder:

The **KLE University (KLEU)**, Belagavi, Karnataka, India and **Maharashtra Institute of Medical Education and Research (MIMER)** recognize the benefits to their respective Universities / Institutes/Research Centres from the establishment of collaborations and proceed to have a Memorandum of Understanding (MoU). Both the independent institutions are committed to mutual and common goals of generating new knowledge towards improvement of science for the betterment of the society we serve.

PREAMBLE:

KLE Society established in the year 1916 is successfully running more than 245 institutions in the field of healthcare (Medical, Dental, Pharmacy, Ayurveda, Physiotherapy and Nursing Science), Information Technology, Law and many more conventional and non-conventional disciplines. Currently, the KLE University has been accredited with '**A**' Grade by National Assessment and Accreditation Council (NAAC) and has been placed in **Category 'A'** by the Ministry of Human Resource Development (MHRD), Government of India.

MIMER (Maharashtra Institute of Medical Education and Research) caters for undergraduate as well as postgraduate training programs and motto of the institution being to harness the knowledge of science and technology for the welfare of society. It has research facilities and catering all the sub-specialities of the department and especially has famed as an Rhinoplasty centre.

The respective Universities/institutes jointly recognize this MoU to mutually cooperate in the areas of Health Care, Education and Research including Life Sciences.

PURPOSE / OBJECTIVE

The primary purpose of this MoU is to build academic research capacity and to promote mutual understanding between the Universities /Research establishments. The MoU shall formally set out the terms of co-operative relationship between the parties, establish their respective roles, and facilitate the function of each party in relation to collaborative research.

Both Universities/Institutes agree to develop collaborative activities in academic areas of mutual interest and as equal partners with reciprocity. All educational events are expected to reflect the faculty members area of research and expertise.

The development and implementation of specific activities based on this MoU shall be negotiated and agreed upon between individual faculty members through the Deans or Heads of Department.

This MOU is agreed on the basis of cooperation between the University/Research Institution and includes, but is not limited to the following options.

- A.** The University and the collaborator desire to provide training /education /academic collaboration for Fellowship Program in Rhinoplasty every year.
- B.** The KLE University will depute one faculty and one Post Graduate Resident or as decided by the University for the Fellowship Program every year at the Collaborator Institute.
- C.** Both the institutes will be jointly conducting clinical research and make national and international scientific /research publications together.
- D.** HOD of ENT in the University's J.N. Medical College, Belagavi shall be the Officer Incharge for this collaboration with the Collaborator institute.

TERMS OF AGREEMENT

Both Universities / Institutes agree to carry out the above mentioned activities in accordance with laws and regulations of respective university/institution after full consultation and approvals.

The term of this agreement shall be valid for a period of **five** years commencing from the date of signature hereof. This agreement can be extended for further terms on mutual agreement. This agreement may be terminated by giving 6 months prior notice from either parties.

In witness whereof, the parties have executed this document by signing on the day of 2nd November 2015.

BACKGROUND

- MITBIO is an educational institute that trains undergraduate and post graduate students in basic tenets of bioengineering with special emphasis on healthcare.
- Whereas the mandate of MIMER is to impart medical and clinical education through its state of art facilities and academic programs.

The above parties hereby express their willingness to cooperate and commit themselves to share their resources for research and development in healthcare. MITBIO is engaged in research and entrepreneurship related activities with an incubation centre that supports research and development of low cost medical devices and other health care technologies, design innovations driven by students and guided by faculties.

RESPONSIBILITY OF THE PARTIES

Responsibilities of MITBIO :-

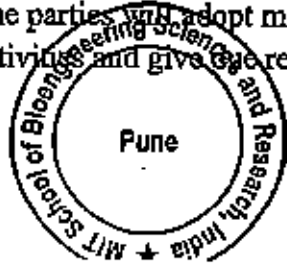

- i. Promote and encourage students / research scholars / faculties for innovation and mentoring excellence in research and education.
- ii. Provide all necessary technical, engineering and human resource inputs for innovation and services to MIMER.
- iii. Increase awareness regarding bioengineering through its academic courses and seminars & conferences.

Responsibilities of MIMER :-

- i. Allow access to students and faculty of MITBIO for hospital visit to see state of art biomedical instruments and other hospital equipment on a date and time of mutual convenience.
- ii. Assist MITBIO students for training and internship in its relevant diagnostic centres and laboratories.
- iii. Provide problem statements and access to state-of-art instruments for academic projects of mutual relevance.
- iv. Conduct research projects with faculty and students of MIMER on areas of mutual interest after ensuring due ethical committee approvals.

JOINT RESPONSIBILITIES OF THE PARTIES

- i. The parties will provide technical support as mutually agreed upon from time to time.
- ii. The parties will undertake mutually agreed projects within a stipulated timeframe.
- iii. The parties may also enter into a separate arrangement / agreement on project to project basis as a case may be on such terms and conditions as may be mutually agreed by the parties.
- iv. The parties will adopt measures to ensure high quality and impact of collaborative activities and give due recognition.

Memorandum of Understanding (MoU)

This MoU is made and executed on this 18th day of June 2019.

BACKGROUND

- MITBIO is an educational institute that trains undergraduate and post-graduate students in basic tenets of bioengineering with special emphasis on healthcare.
- Whereas the mandate of MIMER is to impart medical and clinical education through its state of art facilities and academic programs.

OBJECTIVE

The objective of this MoU is to undertake a collaborative research project towards the "Identification and validation of Biomarkers for oral sub mucous fibrosis (OSMF)" at the Department of Biochemistry, along with the Department of Dentistry and Central Research Laboratory, MIMER and the detailed responsibilities are defined as

(i) Responsibilities of MIMER

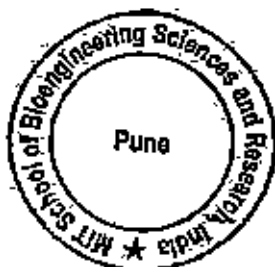

- a) Provide biopsy samples of OSMF to conduct pilot studies for the identification and validation of biomarkers.
- b) To provide clinical data of affected patients to build predictive models.

(ii) Responsibilities of MITBIO

- a) Identify the biomarkers from the given sample and perform the functional characterization of genes.
- b) To provide technical know-how for the development of a diagnostic kit to detect OSMF at an earlier stage.

(iii) Joint Responsibilities of the parties:

- a) Each party would bear its own expenses and cost incurred in connection with all the activities relating to the MoU. Any exception to this clause would be based on prior written consent of both the parties
- b) It is agreed that any IP generated will be shared equally between both the parties and any advanced research and extension activities will be carried forward with the mutual consent of both the parties.
- c) Confidentiality: In terms of this project, either party will acquire or develop confidential and proprietary information concerning the other partner's data and methods.
- d) It is the duty of each party to take care of any ethical considerations and approvals at their own end for the said project.

DURATION OF / AND EFFECTIVE DATE OF MoU

The total time frame for the engagement would be for a period of three (3) years effective from the date of signing of MoU. The term of the MoU may be extended as may be mutually decided by the parties.

FINANCIAL AGREEMENT

No financial commitment from any party will be received unless a formal approval to that effect has been accorded through a signed arrangement between both the parties. Each party shall bear its expenses in discharge of its responsibilities mentioned in the MoU.

TERMINATION OF MOU

This MoU shall be construed and governed by the laws of India. Either party may terminate their MoU anytime by providing a written notice of 30 days by either party. This MoU may not be extended, amended, or superseded except in writing between the parties.

CONFIDENTIALITY & NON-DISCLOSURE

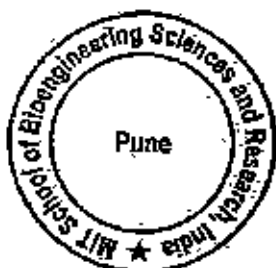

Except and otherwise contemplated by this MoU each party undertakes that it will not use or exploit or disclose to others any of the party's confidential information.

INTELLECTUAL PROPERTY RIGHTS

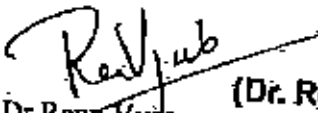

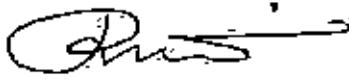

- i. Ownership of any intellectual property created / developed through collaborations under this MoU will be determined between the parties through mutual consultation on a case to case basis prior to starting of work.
- ii. Material or data associated with any study shall not be used for any commercial purpose by either party without the knowledge and written consent of the other party.
- iii. In all publications arising out of any joint project, role of either party would be acknowledged.

SCOPE of MOU

This MoU is specific to the research project mentioned herein. Separate MoU to be signed for other collaborative research/clinical data related problems.

IN WITNESS whereof the Parties hereto have signed this MoU on the day 18th month June year 2019 mentioned herein before.
