12.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	Department of Physiology organized ice breaker session for recently admitted First MBBS students emphasizing the Indian festivals of different regions and religions celebrated during March-April . Topics allotted were Gudipadwa, Eid,Bihu ,Ugadi, Baisakghi, Goodfriday-Easter and Vishu. Participants were dressed in the attire pertaining to their theme and presented the given topic in form of skit, song, dance, story narration or power point presentation. Rest of the students were also dressed in traditional attire. There was an overwhelming response from students and they wish to have such events again amidst their busy academic routine. This activity was conducted, also considering the need of awareness of different cultures, linguistic harmony and brotherhood. More than 95% of students gave excellent feedback and wished more such opportunities to showcase their extracurricular talents.
